

Editorial Note: Journal of AIDS & Clinical Research Reports

Wen Guo*

Boston University, School of Medicine, USA

Abstract

Without continual growth and progress, such words as improvement, achievement, and success have no meaning. Journal of AIDS & Clinical Research also announces its new association with Hilaris group for Archiving, Journal maintenance, financial purpose and support. It is our pleasure to announce that from last six month, all issues of volume 11 were published online on time and the print issues were also brought out and dispatched soon of publishing the issue online.

Keywords: Publication • AIDS

Editorial Note

Without continual growth and progress, such words as improvement, achievement, and success have no meaning. It is our pleasure to announce that from last six month, all issues of volume 11 were published online on time and the print issues were also brought out and dispatched within 20-30 days of publishing the issue online.

All published articles of this journal are included in the indexing and abstracting coverage of Index Copernicus, Google Scholar, Global Impact Factor (GIF), CiteFactor, Electronic Journals Library, RefSeek, International committee of medical journals editors (ICMJE), Hamdard University, EBSCO A-Z, Virtual Library of Biology (vifabio), Studies receiving funding from a funding organization that is included on the list of PMC and Research Funder Policies or authors having NIH grant were submitted to PubMed.

From last six month, JAR received a total of 21 articles, out of which 10 were rejected in the preliminary screening due to plagiarism or being out of the format and peer review process. In the 1 to 7 issues of Volume 11 published during the year 2020, a total of 10 articles were published of which, articles were published from authors all around the

world. Average publication lag time of an article was further reduced to 2-3 weeks.

Journal of AIDS & Clinical Research also announces its new association with Hilaris group for Archiving, Journal maintenance, financial purpose and support. However the journal will be running its original website <https://www.hilarispublisher.com/aids-clinical-research.html> parallel for Editorial and review work process so as to maintain its highest standard of scientific work. Association with Hilaris group has increased Readership Metrics (By Google Analytics) of Journal of AIDS & Clinical Research which can be accessed at Google Analytics Metrics for the Journal.

I take this opportunity to acknowledge the contribution of all supportive editors and eminent reviewers during the final editing of articles published and the support rendered by the editorial assistant, Ms. Cynthia C in bringing out issues of JAR in time. I would also like to express my gratitude to all the authors, the publisher, the advisory and the editorial board of JAR, the office bearers and staff for their support in bringing out yet another volume of JAR and look forward to their unrelenting support to bring out the Volume 11 of JAR in scheduled time.
