With a great pleasure, I would like to express my happiness on the eve of entering into the 3 th year of this Scientific Publishing Field. Initially we started this Journal of Biomedical and Pharmaceutical Sciences with the aim to disseminate advanced knowledge all over the globe. Thankfully, with the constant support of Eminent Editorial Board Members, Potential Reviewers and Active Authors we are able to run this journal so successfully till now and we hope it continues in near future also. Journal of Biomedical and Pharmaceutical Sciences provides the bimonthly publication of articles. In the year of 2019, we have published a very good number of articles, which were recent discoveries.

In the past years, apart from releasing regular issues at present, our main focus is to make scientific papers more accessible for aspiring researchers. With the support of Editorial board members, Executive editors and Guest Editors, we are planning to come up with interesting special issue topics to encourage the authors. Journal of Biomedical and Pharmaceutical Sciences comes under the top ten journals in this open access field. In 2020, we have already released one issue and now we are in the process of releasing another issue.

Finally, Journal of Biomedical and Pharmaceutical Sciences sincerely appreciates each and every member for their valuable service in this Publication Process. We always look forward to work with many young scientists across the globe

The journal of Journal of Biomedical and Pharmaceutical Sciences regularly publishes reports covering wide range of topics which include new challenges of over Pharmacology, Pharmacognosy & Phytochemistry as well as other branches of biomedical sciences.

We provide a rapid turn-around time possible for peer reviewing and publishing the article online and to disseminate the articles freely for research, teaching and reference purposes.

### Applied Strategies in 2019

We have applied many strategies in 2019, i.e.

- Using contacting through Mobile (Whatsapp) phones
- Sent Call for papers for the eminent in the field
- Approaching the Editors suggested eminent
- Approaching potential reviewers for the Call for papers
- Maintaining the frequency of articles.

### Conclusion

I wish to provide some perspective from the cycling research community of Journal of Biomedical and Pharmaceutical Sciences with regard to a recent Editorial note of our Journal.

I solely believe that the quality of the journal is based on the Eminence presence in the Editorial Board as well as Reviewer Board (potential reviewers) who strive to make the papers significantly productive and helpful for the scientific community.

Thank you!

With kind regards,

**HUAJIA ZHANG,**

Editor- in- Chief,
