

Editorial Note of Journal of Pediatric Neurology and Medicine

Bhaskerreddy.B

Osmania University, India

I am pleased to introduce [Journal of Pediatric Neurology and Medicine](https://www.hilarispublisher.com/pediatric-neurology.html) (J Pediatr Neurol Med) (<https://www.hilarispublisher.com/pediatric-neurology.html>) a rapid peer reviewed Journal which has key concerns about multidisciplinary topics that Epilepsy, Mitochondrial diseases, Congenital malformations, Chromosomopathies, Peripheral neuropathies, Perinatal, Childhood stroke, Cerebral palsy and Children with neurological disease.. [Journal](#) main aim is to encourage the latest developments and innovations for publication on the open access platform as research articles, reviews, case studies, commentaries, short communication and the letters to the editor.

The Journals aims to flourish and to maintain the standards in research and practice, provide platform and opportunity for researcher to present their research work and analytical assessment of research and probably it is much in deed for students, teachers and professors.

[Journal of Pediatric Neurology and Medicine](#) focuses on all the broader as well as specific areas of research in the fields such as Epilepsy, Mitochondrial diseases, Congenital malformations, Chromosomopathies, Peripheral neuropathies, Perinatal, Childhood stroke, Cerebral palsy and Children with neurological disease, etc.

During the calendar year of 2019, J Pediatr Neurol Med received a total of 20 manuscript, out of which 20% articles were rejected in the preliminary screening due to plagiarism or being out of the format and peer review process. During 2019 around 10 articles were subjected for publication after they are accepted in the peer review process. In the 3 issues of Volume 4 published during the year 2019, a total of 12 articles were published (at an

Average of 4 articles per issue) of which, articles were published from authors all

Around the world. Globally articles have been accessed by the research scientists and also cited.

I take this opportunity to acknowledge the contribution of our reviewers for their exceptional support during the open access process and the managing editor during the final editing of articles published and the support, in bringing out issues of (J Pediatr Neurol Med) in time. I would also like to express my gratitude to all the authors, reviewers, the publisher, the advisory and the editorial board of (J Pediatr Neurol Med), the office bearers for their support in bringing out yet another volume of (J Pediatr Neurol Med) and look forward to their unrelenting support to bring out the Volume 5 of (J Pediatr Neurol Med) in scheduled time. With their support, we have released the new volume (Volume 5) of J Pediatr Neurol Med for the calendar year 2020. We have released 4 issues in Volume 5, and we look forward to bringing out the Issue 5 of Journal of Pediatric Neurology and Medicine (J Pediatr Neurol Med) in the month of December.
