Editorial

I am pleased to declare a rapid peer-reviewed journal, Journal of Cosmetology & Trichology Journal, which provides researchers and scientists with an opportunity to explore and publish the basic, advanced and latest scientific advances in the field of Cosmetology & Trichology Journal. The Journal of Cosmetology & Trichology Journal accepts articles on Alopecia, Alopecia Areata, Cosmetic Dermatology, Cosmetic Gynecology, Cosmetic Surgerie, Cosmetology and Dandruff, etc. The Journals tend to prosper and publish the most complete Source of discovery and accurate details on the findings and in all areas of the field, recent advances in the mode of original papers, analysis, articles, case reports, short communications, etc. make them freely accessible online without any limitations or any other subscriptions to researchers worldwide.

All published articles of this journal are included in the indexing and abstracting coverage of: RefSeek, Hamdard University, EBSCO A-Z and all published articles are permanently archived. All published articles are assigned to Digital Object Identifier (DOI) - CrossRef.

Authors can submit manuscripts and monitor their progress, hopefully for publication, through the online tracking system. As any report to be

published publicly cumulatively covers 45 days from the date of receive. The time period for different processes including quality control, peer review, and paper preparation is taken from 4 to 5 weeks. Performance reviews and peer review processes are completed within 14 days, and the deadline for submission is just 7 days after the reviewers and editors have accepted.

JCTT is going to release Volume 7 and Issue 3. In month of March, 2021 JCTT released Volume 7 and Issue 2 in which one Research article, two Mini Review, one Case Report and one Review article.

During the calendar year 2020, a total of fifteen Editors, five Reviewers joined the board of JCTT and contributed their valuable services towards contribution as well as publication of articles, and their valuable reviewer comments will beneficial to publish quality of article in the Journal of Cosmetology & Trichology.

I would like to acknowledge the participation of all writers, reviewers and other supportive groups in the final editing of the published articles and the editorial assistant's assistance in the timely resolution of JCTT issues. I am very grateful to them for inspiring me to understand the efforts and growth of other groups that make to publish articles a successfully.
