

Joint Meet on 4th International Conference on Addiction Therapy & International Conference on Neurologists November 27, 2020 Webinar

Editorial Note

We had a huge success with the merge of 4th International Conference on Addiction Therapy & International Conference on Neurologists Webinar scheduled on November 27, 2020.

The significance of the meeting was achieved due to the accumulation of all the related group of spectators of research scientists to share their knowledge, research work, technologies, and furthermore trade of worldwide Information towards the correct crowd at ideal time. Congress has received a generous response from all over the world.

This has been organized with the aim to the corporate community and to create a platform for the exchange of information on technological developments, new scientific modernization and the effectiveness of various regulatory programs towards Addiction Therapy Meet 2020 and Neurologists Meet 2020. The conference was organized around the theme "Advancing to the future of the addiction-free world & Reshaping the future outbreaks in Neurology and Brain Disorders". The congress entrenched a firm relation of future strategies in the field of Neuroscience and Psychiatry.
