

# Editor's Note on Business and Economics Journal

---

Dear Readers,

I am pleased to mention that during the year 2019, all issues of volume 10 were published online well within the time and the print issues were also brought out and dispatched within 30 days of publishing the issue online.

Business and Economics Journal successfully released issues with 20 abstracts. The submissions to the journal are subjected to peer-review process by the editorial board members or external subject experts. The complete editorial processing of the manuscript is done through the integrated online editorial manuscript submission and review system for greater transparency and faster article throughout. During 2019 around 25 articles were subjected to the peer-review process and 20 of those were accepted.

In the volume 10 published during the year 2019, a total of 20 articles were published (at an average of 3 articles per issue) of which, 50 % articles were by foreign authors. A total of 236 research scientists from India and abroad reviewed the 20 articles published in volume 10. Average publication lag time of an article was further reduced to 6-8 months.

I take this opportunity to acknowledge the contribution of Nelson Waveru, Ahmed Khalid, Sang-Bing Tsai during the final editing of articles published and the support rendered by the editorial assistant, in bringing out issues of BEJ in time.

I would also like to express my gratitude to all the authors, reviewers, the publisher, the advisory and the editorial board of BEJ, the office bearers and staff for their support in bringing out yet another volume of BEJ and look forward to their unrelenting support to bring out the Volume 10 of BEJ in scheduled time.

Mary JM,

Editorial Assistant
