

Editorial Opinion

Arpita Bhattacharjee

Masters of Technology, Utkal University, Bhubaneswar, India

International Journal of Economics & Management Sciences (2162- 6359) is an open access quarterly journal publishing peer-reviewed articles in all major and minor specializations of Economics & Management Sciences. Journal is running successfully since 2011. It is our pleasure to announce that journal has released 9 volumes by the end of 2020 with quality of articles and is successfully running its 10th Volume.

All published articles of this journal are included in the indexing and abstracting coverage of Index Copernicus, Google Scholar, CAS Source Index (CASSI), Open J Gate, Open J Gate, Ref Seek, Hamdard University, EBSCO A-Z, SIS, SJIF, ISRA, etc. Studies receiving funding from a funding organization that is included on the list of PMC and Research Funders Policies or authors having NIH grant were submitted to PubMed.

The journal encourages researchers, professors, academicians, doctors, faculties, and students from all over the world to submit their findings or new results related to the journal. All articles will be published and archived through single blind peer-review process. Readers can access or download the published articles free of cost. Journal is following peer- review and publication under open access creative commons attribution license.

During the year 2020, the Journal has released nearly 23 articles (at an average of 3 articles per issue) of which, articles were published from authors all around the world including original research, review and Sort Communication in the volume 9 focusing on critical topics related to Economics & Management Sciences.

During Jan, Hilaris SRL has acquired this journal from Omics group and from then on all rights has been taken by the Hilaris SRL only. Association with Hilria SRL has increased Readership Metrics (By Google Analytics) of International Journal of Economics & Management Sciences which can be accessed at Google Analytics Metrics for the International Journal of Economics & Management Sciences.

We would like to take this opportunity to thank you for the exertion and skill that you add to reviewing, without which it is difficult to keep up the high standards of peer-reviewed journals.

Some of the articles released in 2020 are as follows:

1. Assessing the Impact of Implementing ERP Systems on the Operational Performance of Businesses
2. Investigation and Scrutinize on Local Government Debt Evils in China
3. Application of Logistic Modeling in Exploring Household Financial Education Levels amongst Middle Class in South Africa
4. The Effect of Entrepreneurial Activity on 2011-2015 National Economic Growth: An Econometric Analysis of

Global Entrepreneurship Monitor Data

5. Bystander Effect and Diffusion of Responsibility in the Maranga Diamond Mines of Zimbabwe
6. The journal has released the conference details relating to the journal in December 2020.

In the same way, the Journal expects to cover all the above classification topics for the year 2021 along with the present research in this field along with the current situation prevailing in globally i.e., COVID19.

Social Media/Digital Marketing

The journal always was in contact with the scientific group of the world through its mails, social media networks and its digital platforms. Some of the best ways to be in contact with the audiences are:

1. Twitter postings: Regularly posting the articles, trends, updates of the journal.
2. Posting Google Analytics data in the website.
3. Using LinkedIn and Facebook for regular updates.
4. Regularly being in contact not only through mails but also through What's App.

The complete details about the journal can be seen at: <https://www.scholarscentral.org/submissions/international-economics-management-sciences.html> and for contacting us, mail us or What's App us.

Lastly, International Journal of Economics & Management Sciences is nothing without the continuous support of the Editorial Board Members especially our Editor-in-Chief Dr Pawel Smaga. The Editorial Board members are the backbone of the journal. Along with them, authors and reviewers play a very significant role in building this journal.

So, as an Editorial Co-Ordinator I invite all the extended dignitaries in this field to submit their articles for bringing this research/expertise to the global scientific community.
