

## 2020 Conference Announcement

### Globalize your Research at Stroke 2020, Rome

Uqbah Iqbal

University Kebangsaan, Malaysia, E-mail: druqbahiqbal.aia@gmail.com

After the grand success of [Stroke 2019](#), we welcome you afresh for the **9th International Conference on Neurological Disorders and Stroke** slated on the dates **February 28-29, 2020** in **Rome, Italy**.

This year we aim to incorporate each unattended sector related to Neurology and Neurological Disorders with the refreshing theme of “*Innovations in Diagnosis, Therapeutics and Rehabilitation of Neurological Disorders and Stroke*”

[Stroke 2020](#) is your best opportunity to reach the largest assemblage of participants from around the world on a single platform. The event will provide a huge opportunity to showcase your research and receive recognition and certificates signed by our World-class eminent organizing committee at this 2-days conference.

Join us to enhance your experiences on the theme of the conference and catalyse the future exchange of knowledge to develop and celebrate a new, [Neurological Disorder](#) - FREE WORLD!

Let's meet and explore the eternal city of Rome.

**Past Conference Report:**

Above all else, we stretch out our gratitude to the entirety of our incredible keynotes, speakers, meeting participants, understudies, affiliations, media accomplices, exhibitors and visitors who made this [Stroke 2019](#) Congress as the best and successful occasion.

AAC facilitated the occasion **8th International Conference on Neurological Disorders and Stroke** during **March 14-16, 2019** in **London, UK**. Altruistic and dynamic cooperation from the Editorial Board Members of supporting International Journals just as from the main scholastic specialists, researchers, teachers, specialists, neurosurgeons, examine researchers, understudies and brilliant personalities from the fields of [Neurology](#) and [Neuroscience](#) are the reason behind this present occasion's prosperity.
