

Mark your presence at Applied Chemistry 2020, Tokyo, Japan

Kirk Johnson

Professor, Kasetsart University, Thailand, E-mail: kirkjohnson834@gmail.com

We are happy to announce the event "International Conference on Pure & Applied Chemistry" scheduled during October 19-20, 2020 at Tokyo, Japan with a theme of "Exploring the Research Challenges and Advancements in Applied Chemistry". We invite you all to Applied Chemistry 2020 to have incredible associations with the effective professionals.

Awards

Expert Level

The award to the experts who have made outstanding contributions to advancing in Chemistry. It is the most prestigious award of the whole conference and is tagged as scientific service Achievement award. The eligibility criteria for achieving this award is that one should have minimum of 20+ years of experience in the relative field in public or private sector. The receiver of this award should have a dedicated fascination and should take initiative in researching the recent trends and developments towards the related subjects. You can nominate deserving of the award through online.

Professional Level (The Research Contribution Award)

The Award for professional or academic research activity acquired in Chemistry research field in the public or private sector for experts having research knowledge at 10+ years in the field of Chemistry with most relevant accomplishments. Part-time research experience would be counted as pro-rata. It is calculated starting from the date when you obtained the (first) degree entitling you to embark on a doctorate (either in the country in which the degree was obtained or in the country in which the researcher is recruited), even if a doctorate was never started or envisaged. You can nominate deserving of the award through online.

Scholar Level (The Upcoming Researcher Award)

The conference offers Scholar Level Award for the upcoming scientists, researchers and experts having **10+ years research experience** in the field of **Chemistry**. Our conference would like to provide best platform to expand your network by sharing your research knowledge at stage. Presentation includes 25-30 minutes of oral talk on the scientific research topics based on the theme of the conference along with 5 minutes panel discussions. You can nominate deserving of the award through online.

Women Scientist (The Women of Science Award)

Our Conference provides a unique platform for women scientists for presenting latest research projects with an in-depth analysis. We cordially invite women scholars and scientists from Universities/ Industries to who have **10+ years of research experience** to join the forum. We are happy to encourage our women scientist's

participants through research awards and provide assistance for women scholars in career development and research guidance through our collaborations. Women Scientist can nominate deserving of the award through online.

Outstanding Speaker in Applied Chemistry 2020

This award is recognizing for individual who will present their projects, strategies, and schemes that have been implemented to improve long-term excellence in **Chemistry**. You can nominate deserving of the award through online

Best Keynote Speaker

This award is recognizes for best Keynote speaker who will present their projects, strategies, and schemes that have been implemented to improve long-term excellence in **Chemistry**. if you were confirmed as keynote presenter from the program manager, you can nominate someone deserving of the award through online

Best Poster Presentation in Applied Chemistry 2020

Student Poster Competition is organized at conference to encourage students and recent graduates to present their original research. Conference Series aims at setting a platform for all the budding scientists and researchers to present their real-time work and share their views and aspects related to the theme of the conference.

Outstanding Thesis

Student Poster Competition is organized at Conference, to encourage students and recent graduates to present their original research. All accepted abstracts will be presented

at the poster sessions during the conference. Conference Series aims at setting a platform for all the budding scientists and researchers to present their real-time work and share their views and aspects related to the theme of the conference. You can nominate someone deserving of the award through online.
