With the coordination of organizing committee, we are gladden to framework the program for the [7th World Machine Learning and Deep Learning Conference](#), which is scheduled to be held during June 18-19, 2020, in Dubai, UAE. With the theme "New way of Communicating your wishes to a Computer". Our gathering incorporates a proportional cast of speakers, covering both liberal and exact subjects. We plan to provide Data Scientists, Developers, Scientists, Researchers, professors, Directors, Machine learning experts, CIOs, GCIOs, CTOs, CDOs and anyone related to Machine Learning and [Deep Learning](#). Our conference is focused to expand coverage in the field of Artificial Intelligence, Machine Learning, and Deep Learning, 7th World Machine Learning and Deep learning Conference is gathering the young and innovative minds, practitioners, experts to motivate and give the delegates new ways to work and achieve through data. [Machine learning 2020](#) flourishes to see a developed and better future.

Expert Level

The award is to the experts who have made outstanding contributions to advancing in **Machine Learning and Deep Learning**. It is the most prestigious award of the conference and tagged as a Scientific Service Achievement award. The eligibility criteria for achieving this award is that one should have a minimum of **20+ years of experience** in the relative field in the public or private sector. The receiver of this award should have a dedicated fascination and should take initiative in researching the recent trends and developments towards the related subjects. You can nominate deserving of the award online.

Professional Level

The award for professional or academic research activity acquired in **Machine Learning and Deep Learning**, research field in the public or private sector for experts having research knowledge at 10+ years with most relevant accomplishments. Part-time research experience would be counted as pro-rata. It is calculated from the date when you obtained the (first) degree entitling you to embark

on a doctorate (either in the country in which the degree was obtained or in the country in which the researcher is recruited), even if a doctorate was never started or envisaged. You can nominate deserving of the award online.

Scholar Level

The conference offers a Scholar Level award for scientists, researchers, and experts having 10+ years of research experience in the field of **Machine Learning and Deep Learning**. Our conference would like to offer the best platform to expand your network by sharing your research knowledge. Presentation includes 25-30 minutes of oral talk on the scientific research topics based on the theme of the conference along with 5 minutes panel discussions. You can nominate deserving of the award online.

Women Scientist

Our conference provides a unique platform for women scientists for presenting the latest research projects with an in-depth analysis. We cordially invite women scholars and scientists from universities/industries having 10+ years of research experience to join the forum. We are happy to encourage our women scientist participants through research awards and provide assistance for women scholars in career development and research guidance through our collaborations. Women scientists can nominate deserving of the award online.

Outstanding Speaker

This award is recognizing individuals who will present their projects, strategies, and schemes that have been implemented to improve long-term excellence in **Machine Learning and Deep Learning**. You can nominate deserving of the award online.

Best Keynote Speaker

The award is recognized for Best Keynote speakers who will present their projects, strategies, and schemes that have been implemented to improve long-term excellence in Machine Learning and

Deep Learning. If you were confirmed as a keynote presenter by the Program Manager, you can nominate deserving of the award online.

Best Poster Presentation

Students' poster competition is organized at the conference, to encourage students and recent graduates to present their original research. All accepted abstracts will be presented at the poster sessions during the conference. Conference Series aims at setting a platform for all the budding scientists and researchers to present

their real-time work and share their views and aspects related to the theme of the conference. You can nominate deserving of the award online.

Outstanding Thesis

The award is recognizing for Masters/Ph.D./Post Doctorate thesis work presentations who will exhibit their projects and thesis that have been implemented to improve long-term excellence in the field of **Machine Learning and Deep Learning**. You can nominate deserving of the award online.
