

Past Conference Editorial

EuroScicon Ltd hosted the “EuroSciCon Conference on Advanced Nanotechnology”, during February 21-22, 2020 at Amsterdam, Netherlands with the theme, “*Advancing the Future for Nanotechnology*”, which was a great success. Eminent keynote speakers from various reputed institutions and organizations addressed the gathering with their resplendent presence.

We extend our grateful thanks to all the momentous speakers, conference attendees who contributed towards the successful run of the conference.

Advanced Nanotechnology 2020 witnessed an amalgamation of peerless speakers who enlightened the crowd with their knowledge and confabulated on various latest and exciting innovations in all areas of Nanotechnology.

Advanced Nanotechnology Organizing Committee extends its gratitude and congratulates the Honorable Moderators of the conference.

EuroScicon LLC Ltd extends its warm gratitude to all the Honorable Guests and Keynote Speakers of “Advanced Nanotechnology 2020”.

- Satyavarapu Naga Parameswara Gupta, Bhilai Steel Plant, India
- Raoul Nigmatullin, Kazan National Research Technical University, Russian Federation

EuroScicon Ltd is privileged to felicitate Advanced Nanotechnology 2020 Organizing Committee,

Keynote Speakers, Chairs & Co-Chairs and also the Moderators of the conference whose support and efforts made the conference to move on the path of success. EuroScicon Ltd thanks every individual participant for the enormous exquisite response. This inspires us to continue organizing events and conferences for further research in the field of Nanotechnology.

EuroScicon Ltd is glad to announce its “EuroScicon Webinar on Advanced Nanotechnology”, which will be held during **November 23-24, 2020** as **Online Conference**. We cordially welcome all the eminent researchers, Nanotechnologists, Chemists, Biologists, Physists, Nanotechnology Faculty, Material Science Faculty, Medical and Healthcare Professionals, Materials and Process Professionals, Electronics and IT Professionals, Polymer Nanotechnology Specialists, Carbon Nano Structures Faculty, Nanotech Detector Specialists, Agricultural Nanotechnologists, Nanotechnology Companies, Software developing companies, Training Institutes, Young researchers, Data Management Companies, Manufacturing Carbon Nanotubes Companies, students and delegates to take part in this upcoming conference to witness invaluable scientific discussions and contribute to the future innovations in the field of Nanotechnology with **20%** abatement on the Early Bird Prices.

Bookmark your dates for “Advanced Nanotechnology, Online event” as the Nominations for Best Poster Awards and Young Researcher Awards are open across the world.
