

Past Conference Editorial of Advanced Materials 2020

The [25th International Conference on Advanced Materials & Nanotechnology](#) hosted by Conference Series LLC Ltd was successfully held during November 23-24, 2020 as a Webinar and was marked with the presence of the committee members, senior scientists, young and brilliant researchers, business delegates and talented students from various countries, who made this conference successful and productive.

We extend our grateful thanks to all the momentous speakers, conference attendees who contributed towards the successful run of the conference

[Advanced Materials 2020](#) witnessed an amalgamation of peerless speakers who enlightened the crowd with their knowledge and confabulated on various latest and exciting innovations in all areas of Material Science and Nanotechnology.

Advanced Materials 2020 Organizing Committee extends its gratitude and congratulates the Honorable Moderators of the conference.

Conference Series LLC Ltd extends its warm gratitude to all the Honorable Guests and Keynote Speakers of “Advanced Materials 2020”.

- Alexander G. Ramm, Kansas State University, USA
- Eui-Hyeok Yang, Stevens Institute of Technology, USA

Conference Series LLC Ltd is privileged to felicitate Advanced Materials 2020 Organizing Committee, Keynote Speakers, Chairs & Co-Chairs and the Moderators of the conference whose support and efforts made the conference to move on the path of success. Conference Series LLC Ltd thanks every individual participant for the enormous exquisite response. This inspires us to continue organizing events and conferences for further research in the field of Material Science and Nanotechnology

Conference Series LLC Ltd is glad to announce its “26th International Conference on Advanced Materials & Nanotechnology, which will be held during November 15-16, 2021 Madrid, Spain. We cordially welcome all the eminent researchers, Presidents, CEO’s, Nanotechnology scientists and researchers in Material Science and Nanotechnology sectors, Delegates to take part in this upcoming conference to witness invaluable scientific discussions and contribute to the future innovations in the field of Material Science and Nanotechnology with 20% abatement on the Early Bird Prices.

Bookmark your dates for “Advanced Materials 2021, Spain” as the Nominations for Best Poster Awards and Young Researcher Awards are open across the world.
