

Past Conference Editorial of Biopolymers 2020

Conference Series LLC Ltd hosted the “Biopolymers”, during August 03-04, 2020 at Zurich, Switzerland with the theme, “Solution for current & future global challenges Biopolymers 2020”, which was a great success. Eminent keynote speakers from various reputed institutions and organizations addressed the gathering with their resplendent presence.

We extend our grateful thanks to all the momentous speakers, conference attendees who contributed towards the successful run of the conference.

Biopolymers 2020 witnessed an amalgamation of peerless speakers who enlightened the crowd with their knowledge and confabulated on various latest and exciting innovations in all areas of Synthetic polymers and Organic polymers.

Biopolymers Organizing Committee extends its gratitude and congratulates the Honorable Moderators of the conference.

Conference Series LLC Ltd extends its warm gratitude to all the Honorable Guests and Keynote Speakers of “Biopolymers 2020”.

- NG Kwan, RMIT University, Australia.

Conference Series LLC Ltd is privileged to felicitate Biopolymers 2020 Organizing Committee, Keynote Speakers, Chairs & Co-Chairs and the Moderators of the conference whose support and efforts made the conference to move on the path of success. Conference Series LLC LTD thanks every individual participant for the enormous exquisite response. This inspires us to continue organizing events and conferences for further research in the field of Organic polymers and Natural polymers.

Conference Series LLC Ltd is glad to announce its “11th World Congress on Biopolymers & Bioplastics. We cordially welcome all the eminent researchers, Natural polymers ,Organic polymers, polymer Associations, Biopolymer Researchers, Polymer Industry, polymer Scientists, polymer Engineers, polymer technology Engineers, Chemical Engineers, Biopolymer Organizations and Associations, Biopolymer companies, students and delegates to take part in this upcoming conference to witness invaluable scientific discussions and contribute to the future innovations in the field of Biopolymers with **20%** abatement on the Early Bird Prices.

Bookmark your dates for “Biopolymers 2021” as the Nominations for Best Poster Awards and Young Researcher Awards are open across the world.
