

## *Past Conference Editorial of Materials Congress 2020*

Conference Series LLC Ltd hosted the “**Materials Congress 2020**”, during - June 22-23, 2020, webinar with the theme, “Emerging Innovations and advancements in Materials science and Engineering”, which was a great success. Eminent keynote speakers from various reputed institutions and organizations addressed the gathering with their resplendent presence.

We extend our grateful thanks to all the momentous speakers, conference attendees who contributed towards the successful run of the conference.

Materials Congress 2020 witnessed an amalgamation of peerless speakers who enlightened the crowd with their knowledge and confabulated on various latest and exciting innovations in all areas of Materials Science and Engineering.

Materials Congress Organizing Committee extends its gratitude and congratulates the Honorable Moderators of the conference.

Conference Series LLC Ltd extends its warm gratitude to all the Honorable Guests and Keynote Speakers of “Materials Congress 2020”.

- Abdeen Mustafa Omer, Energy Research Institute, UK

Conference Series LLC Ltd is privileged to felicitate Materials Congress 2020 Organizing Committee, Keynote Speakers, Chairs & Co-Chairs and also the Moderators of the conference whose support and efforts made the conference to move on the path of success. Conference Series LLC LTD thanks every individual participant for the enormous exquisite response. This inspires us to continue organizing events and conferences for further research in the field of Materials Science and Engineering.

Conference Series LLC Ltd is glad to announce its “22<sup>nd</sup> **World Congress on Materials Science and Engineering**, which will be held during **March 15-16, 2021** at **Rome, Italy**. We cordially welcome all the eminent researchers, professionals, industrialists, researchers, students and delegates to take part in this upcoming conference to witness invaluable scientific discussions and contribute to the future innovations in the field of Materials Science, Nanotechnology, Chemistry and Physics with **20%** abatement on the Early Bird Prices.

Bookmark your dates for “**Materials Congress 2021, Italy**” as the Nominations for Best Poster Awards and Young Researcher Awards are open across the world.
