

## Past Conference Report Wound Care 2020

Ryan Moseley

The CITER MSc Programme in Tissue Engineering, UK, E-mail: ryanmoseley@yahoo.com

Thanks to all our wonderful speakers, delegates and all the conference attendees contributed for the success of 2nd International Conference on Advances in Skin, Wound Care and Tissue Science organized by [Conference Series LLC](#). Congratulations for the tremendous job. [Wound Congress 2017](#) Conference was our best ever!

The conference was marked by the attendance of young and brilliant researchers, business delegates and talented student communities representing more than 18 countries, who have driven this event into the path of success. The conference highlighted through various sessions on current retroviral research.

[Wound Congress 2017](#) witnessed an amalgamation of peerless speakers who enlightened the crowd with their knowledge and confabulated on various new-fangled topics related to the fields of [Skin](#), Wound Care and [Tissue science](#).

The conference proceedings were carried out through various Scientific-sessions and plenary lectures. The conference was embarked with an opening ceremony followed by a series of lectures delivered by both Honorable Guests and members of the Keynote forum. The adepts who promulgated the theme with their exquisite talk were;

- DR. Barritault Denis University Paris-East Creteil, France
- DR. Shaik O Rahaman University of Maryland, USA
- DR. Ryan Moseley Cardiff University, UK
- DR. Sandeep Shrivastava Datta Meghe Institute of Medical Sciences University, India

- DR. Edgar Serfling University of Würzburg, Germany
- DR. Pedro Morouço Polytechnic Institute of Leiria, Portugal

[Conference Series LLC](#) offers its heartfelt appreciation to Organizing Committee Members, adepts of field, various outside experts, company representatives and other eminent personalities who interlaced with [Conference Series LLC](#) in supporting and making the conference as never before one.

[Conference Series LLC](#), on behalf of Wound Congress 2017 conference, congratulates the Best Poster presenters for their outstanding performance and appreciates all the participants who put their research at poster presentations and sincerely wish them every success in their future endeavors.

Best Poster Awardees at Wound Congress 2017:

Han Eunhee | Ajou University Hospital | South Korea

Conference proceedings

[Conference Series LLC](#) is privileged to felicitate Wound Congress Organizing Committee and Editorial Board Members of Journal of Tissue Science & Engineering, Journal of Regenerative Medicine and Journal of Nursing & Care, Keynote Speakers, Chairs & Co-Chairs and also the Moderator of the conference whose support and efforts made the conference to move in the path of success.

With the enormous feedback and promising response from the participants and supporters of [Wound Congress 2017](#), Conference Series LLC is glad to announce the commencement of

**6<sup>th</sup> International Conference on Advances in Skin, Wound Care and Tissue Science** during **August 03-04, 2020** at **Zurich, Switzerland**. We welcome all the eminent researchers, students and delegate participants to take part in this upcoming conference to witness invaluable scientific discussions and contribute to the future innovations in the field of Skin, Wound Care and Tissue Science.
