

Past Conference Report-New Horizons in Cardiology & Cardiologists Education

Suresh Vatsyayann

Professor Medical Specialist GNH Hospital, India, E-mail: freegp@gmail.com

In the presence of cardiologists, professional researchers, scientists, practitioners and medical students involved in the development of high-quality education in all aspects of clinical skills, Conference Series **28th International conference on Cardiology and Healthcare** was held during August 09-11, 2018 in Abu Dhabi, UAE.

ME Conferences Group played host to a diverse panel of key members of the **Cardiology Care 2018** community from research lab, industry, academia and financial investment practices, discussing the future of Cardiology and Cardiovascular specialties. This event was really aimed for examining where the real cardio-logical specialties are going to the future and purpose of the event was to provide an opportunity for cross-fertilization of ideas and development of ideas, in the field of Cardiology.

Focusing on Cardiology, Pediatric Cardiology, Heart Diseases, Echocardiography, Interventional Cardiology, Heart and Blood Vessel Surgeries, Cardiac Nursing, Diabetes, Cardiac Surgeries, Case Reports on Cardiology and the Heart and Heart Failure as well, the three days of discussions enabled professionals to gain an insight into the current innovations and opened up networking opportunities.

We are all inspired by your great words!

The curtains rose with the Opening Ceremony and then the introduction of Honourable guests and the affiliates of Keynote Forum. Sessions include keynote, plenary and oral. Poster Session was organized in the second day which grabbed the attention of students and young researchers. Insightful talks were rendered throughout the two days of the scientific program and the program ended with an extensive networking lunch. Conference series wishes to acknowledge all the organizing committee members, moderators, chairs, speakers, students, delegates in making this event a great success. We are also obliged to various delegate experts, company representatives and other eminent personalities who supported the conference by facilitating active discussion

forums. We sincerely thank the Organizing Committee Members for their gracious presence, support, and assistance with the unique feedback from the conference.

Cardiology Care 2018 Organizing Committee would like to thank the Moderators of the conference – **Dr. Nahid El Faquir**, Erasmus University Medical Center, Netherlands; **Dr. Samah Alasrawi**, Al Jalila Children's Hospital, UAE and **Dr. Minkyung Kim**, Sheikh Khalifa Specialty Hospital, UAE who contributed a lot for the smooth functioning of this event.

The conference was embarked with an opening ceremony followed by Keynote sessions and followed by series of lectures delivered by Honourable Guests and members of the Keynote forum.

The highlights of the meeting were the eponymous lectures, delivered by:

- **S. Jamal Mustafa**, West Virginia University, USA
- **Brajesh Mittal**, Garhoud Private Hospital,
- **Nandkishore Kapadia**, KDA Hospital and Medical Research Institute, India
- **Syed Raza**, Awali Hospital, Bahrain
- **Yassmin Hanfi**, Dallah Private Hospital, Saudi Arabia
- **Ahmed Mohammed Samman**, Ministry of Health, Saudi Arabia
- **Olivier Jegaden**, Mediclinic Airport Road Hospital, United Arab Emirates
- **Shyam K Ashok**, Aster CMI Hospital, India
- **Kashif Bin Naeem**, Al Baraha Hospital, UAE
- **Yagoub Musa**, Alshaab Teaching Hospital, Sudan

These talks were of great interest to the general cardiologists and were enormously informative.

28th [International conference on Cardiology and Healthcare](#) was a great success with the support of international, multi-professional steering committee and coordinated by the Journal of Cardiovascular Diseases & Diagnosis; Journal of Clinical & Experimental Cardiology and Cardiovascular Pharmacology: Open Access. We are happy to announce our 29th [International Conference on Cardiology and Healthcare](#), which will be held during June 10-11, 2018 in Helsinki, Finland.
