The conference was embarked with an opening ceremony followed by Keynote sessions and followed by a series of lectures. We would like to express our sincere gratitude to Honourable Speakers, Chairs and Moderator. Veterinary 2020

witnessed a combination of peerless speakers who enlightened the crowd with their knowledge and confabulated on various new-fangled issues related to the field of Veterinary. The extremely illustrious conference hosted by Conference Series LLC was marked with the attendance of young and brilliant researchers, delegates and talented student communities representing their countries around the world.

Conference Series LLC Group is prerogative to thank the Organizing Committee Members, Keynote speakers; Chair and Co-chairs on engross the keynote sessions, workshops, Symposiums and YRF and Poster sessions in an expanded manner to make this conference a privileged Summit. The Organizing Committee would like to thank the moderator Tanvi, Chaudhary, Charan Singh Haryana Agricultural University, India for her support which resulted in smooth functioning of the conference. The conference was boarded with an opening ceremony followed by a series of lectures delivered by Honourable Guest and members of the Keynote forum.

The best Part of the conference was the keynote forum by prominent scientists: **Dr. Srebrenka Nejedli**, University of Zagreb, Croatia | **Dr. Ankit Kumar**, Lala Lajpat Rai University of Veterinary and Animal Sciences, India | **Dr. Ivana Tlak Gajger**, University of Zagreb gave their profitable contributions in the form of highly enlightening presentations and made the conference a best notch one.

The two days event implanted a firm relation of upcoming strategies in the field of Veterinary with the scientific community. The conceptual and valid knowledge shared, will also raise organizational collaborations to develop scientific accelerations.

We once again thank all the participants for their wonderful involvement towards the event which helped us for successful execution of this event. Conference Series LLC takes a great pride in declaring the upcoming conference "**16th International Veterinary Congress**" which is going to be held at London, UK during June 14-15, 2021.
