

# POLLUTION AND HEALTH 2020 scheduled at Hanoi, Vietnam during August 03-04-2020

Dr. Ajah Uzoigwe James

EECCA President | Organization: Earth Environment And Climate Care Ambassadors (EECCA), Nigeria, E-mail: [citycleanersinternational@gmail.com](mailto:citycleanersinternational@gmail.com)

The “2nd Annual Congress on Environmental Pollution and Health Hazards” hosted by conference series with the theme “Addressing Pollution Challenges and Solutions towards Sustainable Green Environment”. The conference offered a unique opportunity to investigators across the globe in order to meet, explore, network and perceive new scientific innovations. The conference received a commendable applaud and active participation was received from the Editorial Board Members of OMICS Group Journals as well as from the global scientists, Professors, Academicians, Researcher Scholars and students from diverse fields of **Pollution Control and Health Hazards**.

The conference was initiated with the Honorable presence of the Keynote forum. The list includes:

- Title: Current developments in closing the recycling loop of PLA

Adina Anghelescu-Hakala, VTT Technical Research Centre of Finland Ltd, Finland

- Title: Recycled concrete aggregates from construction and demolition waste in India – CO2 binding by carbonation

Christian J Engelsen, Stiftelsen for Industriell Og Teknisk Forskning (SINTEF), Norway

- Title: Food waste recycling using black soldier fly larvae

L M Chu, The Chinese University of Hong Kong, China

Conference series is organizing “[3rd Annual Congress on Environmental Pollution and Health](#)” which is going to be held on **August 03-04, 2020 at Hanoi, Vietnam**. The conference is going to cover the entire field related to **Environmental Sciences**, latest research and findings. The Conference will provide a platform where research scholars and students will be able to gain knowledge about new, innovative research and findings from the eminent Scientist, Researchers and Professors.

The conference highlights of **Pollution and Health 2020** are as follows:

[Environmental Pollution](#), [Climate change](#), [Pollution Control](#), [Pollution Analysis](#), [Pollution Sources & Effects](#), [Pollution Ecology & Toxicology](#), [Health Effects from Specific Pollutants](#), [Marine Pollution and Large Scale Solutions](#), [Environmental Sustainability and Development](#), [Acid Rain](#), [Plastic Pollution](#), [Industrial pollution](#), [Human Impact on the Environment](#), [Resource Depletion](#), [Bioenergy and Biofuels](#), [Risk Assessment](#), [Air Pollution Control Equipment Market Trends](#), [Environmental Protection](#)
