

Prestigious Award for Young Research's at Graphene Event 2020

Alain L Fymat

Founding Chair, President/CEO and Professor, International Institute of Medicine & Science, USA, E-mail: alain.fymat@fiimmas.org

With the successful completion of "3rd International Conference and Expo on Graphene, Advanced 2D Materials & Semiconductors" during March 28, 29 2019 Orlando, USA, was organized with a focus on "A New Way to Atomic Assembly". It was a pronounced success with all eminent personalities from around the world and made their resplendent presence and addressed the gathering.

This conference was a path breaking opportunity for students too, which were given a chance to exhibit their paramount research work through Poster Presentations and discuss the same with the exalted scientists.

Keeping all the success story in records, now our [GRAPHENE 2020](#) is proud to announce "4th International Conference and Expo on Graphene Technologies and Carbon Nanotubes during September 23-24, 2020 Milan, Italy.

Graphene 2020 Conference Awards:

[Graphene Conferences Committee](#) is intended to honour [prestigious award](#) for talented Young researchers, scientists, Young Investigators, Post-Graduate students, Post-doctoral fellows, Trainees, Junior faculty in recognition of their outstanding contribution towards the conference theme. The Award make every effort in providing a strong professional development opportunity for early career academicians by meeting experts to exchange and share their experiences on all aspects of [Graphene Technologies](#) and [Carbon Nanotubes](#)

Awards for the Nomination: Young Researcher Forum - Outstanding Masters/Ph.D./Post Doctorate thesis work Presentation

Last date for Initial application January 30, 2020 – \$399

Last date for Initial application February 28, 2020 – \$499

Last date for Initial application March 30, 2020 – \$599

Benefits:

- Our conferences provide best Platform for your research through oral presentations.

- Learn about career improvement with all the latest technologies by networking.
- Young Scientists will get appropriate and timely information by this Forum.
- Platform for collaboration among young researchers for better development.
- Provide an opportunity for research interaction and established senior investigators across the globe.
- Share the ideas with both eminent researchers and mentors.
- It's a great privilege for young researchers to learn about the research areas for expanding their research knowledge.

Eligibility

- Young Investigators, Post-Graduate students, Post-doctoral fellows, Trainees, Junior faculty with a minimum of 5 years of research experience
- Presentation must be into scientific sessions of the conference.
- Each Young Researcher / Young Scientist can submit only one paper (as first author or co-author).
- Age limit- Under 33yrs
- All submissions must be in English.

[Graphene 2020](#) provides best platform to expand your network, where you can meet scientists, authorities and CROs from around the world. It's your time to grab the opportunity to join Graphene 2020 for promoting your research article and to facilitate prestigious award in all categories. In this fame, we look forward for your contribution and astonishing dedication to make our [Graphene 2020](#) more successful.
