It is of immense delectation to share with our readers/authors/editors/reviewers that Journal of Molecular Histology and Medical Physiology had successfully disseminated 5 Volumes worldwide through the journal platform. Currently, we are on the way to promulgate more updates in the field of Molecular Histology and Medical Physiology. We would like to acknowledge the contributors of our journal for their time-honoured support and cooperation in bringing and publishing the issues on journal website within time. With reference to the previous submissions received in the journal, we request the eminent authors to come up with their valuable submissions based on their recent on-going studies related to the molecular biology, molecular histology, medical physiology, cancer cells, physiology and other such topics that cover the journal scope.
