

Rare Diseases & medicine Awards 2020

Stef Stienstra

Professor, Dutch Armed Forces / Royal Dutch Navy, Netherlands, Stef.Stienstra@inter.nl.net

To support and encourage the scientific and techno researchers to march forward with their research work, Conference Series has started with various awards during the summit. [Global Summit on rare Diseases and Medicine](#) conference offers various awards as reorganization to exceptional researcher and their research work. We invite all enthusiastic researchers from all around the world join us for the [Rare Diseases 2020](#) and medicine scheduled in Dubai, UAE on November 23-24, 2020.

Expert Level (Scientific Service Achievement Award)

[Rare Diseases 2020](#) will confer the Expert Level Award to the researchers who have spent a considerable time of their academic life towards the research related to conference topic. Expert Level award is for the researchers/speakers who have done all the hard work behind the scene. It will be a small clap for their dedication and hard work. The recipients of the awards are generally experts who have almost spent 15+ years in the research towards the Rare Disease.

Professional Level (The Research Contribution Award)

[Rare Diseases 2020](#) will bestow Professional Level award to those researchers who have made significant contribution towards the conference topic during their research period as well as presented the research topic in an impressive way in the oral presentation during the summit. It will be an apt appreciation from the Jury as well as from the delegates. The award they receive will motivate them to march forward with the research work.

Scholar Level (The Upcoming Researcher Award)

[Rare Diseases 2020](#) offers Scholar Level Award for the upcoming scientists, researchers and experts having at least 5 years research experience in the Rare Disease. Our conference will provide best platform to expand your network by sharing your research knowledge at the summit. Presentation includes 25-30 minutes of oral talk on the scientific research topics based on the theme of the conference along with 5 minutes' panel discussions.

Women Scientist (The Women of Science Award)

[Rare Diseases 2020](#) provides a unique platform for women researchers for presenting latest research projects with an in-depth analysis. We create a great environment for women scholars and scientists to who have research experience to join the forum. We are glad to inspire our women scientist's participation through research awards and provide assistance for women scholars in career development and research guidance through our collaborations.

Outstanding speaker

[Rare Diseases 2020](#) will take this opportunity to facilitate eminent experts from this field with relevant experience for their phenomenal contribution towards the topic through their academic research. This will be a trivial but significant reorganization of their dedication and discipline.

Outstanding Masters/Ph.D./Post Doctorate thesis work

The purpose of this Award during the [Rare Diseases 2020](#) is to appreciate research work of the budding young researcher who is continuing their research work to create a better society. The award will provide them a tremendous amount of encouragement to keep moving forward.

Best Poster Presentation

The educative poster award for the [Rare Diseases 2020](#) will be endorsement for those who wishes to display their research paper through a poster and will act as a guiding force those researchers. The award will be presented to the most informative and educative research poster.

To support and encourage the scientific and techno researchers to march forward with their research work, Conference Series has started with Keynote Presentation award during the summit. Rare diseases 2020 offer this as reorganization to exceptional researcher and their research work. We invite all enthusiastic researchers from all around the world to join with us.
