

Rewrite Awards Content for Probiotics 2020:

Nancy J Emenaker

Program Director, National Cancer Institute, USA, E-mail: emenaken@mail.nih.gov

Euro Global Summit on Probiotics scheduled on August 03-04, 2020 at Zurich, Switzerland

Conference Series LLC fosters research excellence and leadership by recognizing the outstanding researchers, exceptional graduates or early academicians who have distinctive enthrallment towards the conference themes. Nominees are judged on past accomplishments, research excellence and outstanding academic achievements. Researchers throughout the world who have been credited with outstanding achievements can make a significant contribution to the advancement of their field, thereby having a positive influence on the society.

To provide a strong professional development opportunity for early career academicians-meeting experts awards in different categories are announced such as **Expert Level** which will be presented to the expert researchers who have done exceptional work in the field of [Probiotics](#). The award is considered the most distinguished award for who is passionate towards their work, willing to innovate and accept the aberrations happening in the research area with the introduction of recent trends. Followed by **Professional Level** which is termed as The Research Contribution Award for who should be hard working, diligent, focused and devoted to the specific field of interest. Next is the **Scholar Level** which will be presented to upcoming researchers and scientists in their respective field ([Nutraceuticals](#)) who bring new technologies and innovations to their work according to the new trends in their field.

To encourage Women scientists and researchers by providing a platform where they can present their work and passion towards their research **Women Scientist Award** will be presented which is also termed as The Women of Science Award. To acknowledge the speakers with great presentation skills, influential research work and long-term excellence **Outstanding Speaker Award** will be presented. **Best Keynote Speaker Award** will be presented to the keynote speaker who adds an extraordinary feel to the conference by their distinguished research work, projects and strategies that will provide a new trend in the field of **Probiotics and Nutraceuticals**.

Best Poster Presentation award will be presented to the research design which should be appropriate and transparent. Factual information should be kept separate from interpretations or implications. This award is given to encourage students and recent graduates to present their original research. The one who presents best thesis work will be awarded with **Outstanding**

Masters/Ph.D./Post Doctorate thesis work which has been implemented to improve long-term excellence in the field of **Probiotics and Nutraceuticals**.

These awards are a tribute to the men and women who have contributed to the progress of humanity through their dedication to science. Serving as a source of inspiration, the awards help to raise the profile of talented individuals in addition to the profession as a whole.

[Probiotics 2020](#) supported by the organizing committee network of renowned scientific and professional expert such as **Nancy J Emenaker, Program Director, National Cancer Institute USA** provided a platform for collaboration among colleagues, vendors, and academia to reveal new innovations, solutions, ideas, and emerging technologies in Probiotics and Nutraceuticals

The global market for antipsychotic drugs was worth \$80.5 billion in 2010 and that value is worth to be \$88.3 billion in 2015. The global Behavioral health software market in 2014 is \$0.75 billion and is expected to reach \$1.5 billion by 2020.

[Probiotics Conferences](#) going to be held during January, 2020 to December, 2020 at different urban areas in Europe (London, Barcelona, Madrid, Valencia, Rome, Milan, Berlin, Frankfurt, Vienna, Zurich, Dublin, Edinburgh... Many More...!!!
