

## Satellite & Space Missions Conference Past Conference Report

**Dorian Gorgan**

Professor, Technical University of Cluj-Napoca, Romania

### Satellite 2019

Conference Series LLC Ltd codified the “5th International Conference and Exhibition on Satellite & Space Missions” during August 01-02, 2019 in the beautiful city of Dublin, Ireland with the theme *Above and Beyond the Earth* which was a great success, where eminent keynote speakers from various reputed institutions and organizations with their resplendent presence addressed the meeting.

We extend our highest gratitude and appreciation to our Organizing committee members **Yuksel Altiner**, Federal Agency for Cartography and Geodesy in Frankfurt, Germany, **Gordon Huang**, University of Regina, Canada and **Vladislav Demyanov**, Irkutsk State Transport University, Russia for taking up the responsibility to coordinate during the sessions. We are indebted to your support.

The conference was initiated with the Honorable presence of the Keynote forum.

### Keynote Speakers:

**Vladislav Demyanov**, Irkutsk State Transport University, Russia

**Dorian Gorgan**, Technical University of Cluj-Napoca, Romania

[Satellite 2019](#) witnessed an amalgamation of remarkable speakers and we thank each and every one for your great scientific input, many fruitful discussions and scientific interactions.

The conference was marked with the attendance of business delegates, talented student communities, young and brilliant researchers who showcased their exceptional posters on the Day 02 of the conference, representing more than 15 countries, who have driven this event into the path of success.

All the papers presented at the Satellite 2019 will be published in the proceedings of the journal indexed “[Journal of Aeronautics & Aerospace engineering](#)”.

There are infinite reasons to extend our gratitude to you for making the Satellite 2019 outstanding conference. We couldn't have done it without your continuous support and belief towards our organization, which mutually made to achieve Satellite 2019, new heights in the field of [Satellite & Space missions](#). This

inspires us to continue organizing events and conferences for further research in the field of Satellite & Space missions.

Being witnessed the triumph of Satellite 2019, Conference series LLC Ltd would like to announce the commencement of the “6th International Conference and Exhibition on Satellite & Space Missions” to be held in London, UK during July 15-16, 2020

We anticipate your presence at Satellite 2020!
