Editorial

I am pleased to announce the Journal of Cosmetology & Trichology, a rapid peer-reviewed journal, which offers researchers and scientists the opportunity to explore and publish the fundamental, advanced and recent scientific developments in the field of Cosmetology & Trichology. The Journal of Cosmetology & Trichology accepts articles on Skin care, makeup, manicures, pedicures, waxing, facials, and massages, hairstyling, colouring, perming, CC. Trichology is the dermatology division that specialises in the clinical study of hair and scalp protection. In skin care, estheticians specialise. The Journals tend to prosper and publish the most complete Source of discovery and accurate details on the findings and in all areas of the field, recent advances in the mode of original papers, analysis, articles, case reports, short communications, etc. make them freely accessible online without any limitations or any other subscriptions to researchers worldwide.

The journal is indexed in RefSeek, Hamdard University, EBSCO A-Z, OCLC- WorldCat and Geneva Foundation for Medical Education and Research. All published articles are permanently archived and available at HILARIS website in HTML and PDF formats. All published articles are assigned to Digital Object Identifier (DOI) - CrossRef. As an original publication, review papers, case reports, brief correspondence, etc the Journal of Cosmetology and Trichology gathers data from reputable sources of knowledge on observations and current developments. It consists of data on new technologies and the use of various cosmetics.

Authors can submit manuscripts and monitor their progress, hopefully for publication, through the online tracking system. As any report to be published publicly cumulatively covers 45 days from the date of receive. The time period for different processes including quality control, peer review, and paper preparation is taken from 4 to 5 weeks. Performance reviews and

peer review processes are completed within 14 days, and the deadline for submission is just 7 days after the reviewers and editors have accepted.
