

World Congress on Antibiotic Resistance

Giulio Filippo Tarro

Professor, Biotechnologies and VirusSphere, World Academy Biomedical Technologies, Italy, E-mail: giuliotarro@gmail.com

Thanks to all of our wonderful Speakers, Conference Attendees and Collaborators; Antibiotics 2019 Conference was our best ever!

6th World Congress and Exhibition on Antibiotics and Antibiotic Resistance hosted by Conference Series was held during June 03-04, 2019 London, UK at Park Inn by Radisson Hotel & Conference Centre London Heathrow United Kingdom with the theme "Challenges and New Concepts in Antibiotics Research" which got splendid response. With the support and guidance of Organizing Committee Members and Editorial Board Members and astonishing presentations of all participants this prominent event became more impressive.

Conference Series would like to convey a great appreciation to following eminent people, Organizing Committee Members and Keynote speakers.

Speakers:

- **Gerald C. Hsu**, Eclair MD Foundation, USA
- **Clyde A Smith**, Stanford University, USA
- **Matin A. C.**, Stanford University School of Medicine, USA
- **Yuan Liu**, Farmland Irrigation Research Institute, Chinese Academy of Agricultural Sciences, China
- **Zhongyang Li**, Farmland Irrigation Research Institute, Chinese Academy of Agricultural Sciences, China
- **Carmen Mannuccia**, University of Messina, Italy
- **Gershon Y. S. Sekley**, G2 Medical Laboratory, Ghana

Organizing Committee Members and Keynote Speakers who supported for the success of this event with sustainable excitement for grand success of this prominent conference it is glad to announce next annual meeting 7th World Congress and Exhibition on Antibiotics and Antibiotic Resistance from March 16-17, 2020 at London, UK.

We hope your favourable support will make next annual also one more grand success event.
