Wireless 2020 conference is to study and share knowledge on Wireless, Telecommunication & IoT. This Conference offers an opportunity for exchange of thoughts and authoritative views by chief scientists as well as business tycoons and investors in this stimulating field. Exceptional keynote speakers and well known foremost scientists and professionals from across the globe will be anticipated to share their knowledge. We undertaking to bring individuals from numerous fields and to make a setting in which they can collaborate synergistically, and ideally make new logical outcomes..

Conferences Series LLC take great pleasure in inviting the scientific community across the globe to the 6th International Conference on [Wireless, Telecommunication](#) & IoT during September 28-29, 2020 at Barcelona, Spain. This meeting will explore advances in the Wireless, Telecommunication & IoT.

The conference will serve as a platform to bring together young scientist, leading scientists, researchers, organizations and all representatives of company sectors with different specialities such as Wireless, [Telecommunication](#) & IoT. This event is an open forum specifically dedicated for young investigators (i.e. students, PhD candidates and early stage postdocs) working in all fields in the broader area of Wireless, Telecommunication & IoT. This forum will not only discuss state-of-the-art science to broaden the scientific knowledge of the participants but allow the young researchers to benefit as well from several specifically designed interactive sessions to advance their own career/research. In particular, the forum aims to foster the spirit of teamwork among the participants, providing the opportunity to network globally and to establish own professional networks.

The conference will acknowledges those participants and organizations that have remarkably added to the value to scientific community by awarding Young Scientist Awards and Best Poster Awards. Awards provide an opportunity to the participants like outstanding researchers, exceptional graduates or early academicians and organizations to showcase their best research and projects to the world related to the conference theme.

Young Researchers Forum- Young Scientist Awards

The Award is given to individuals in recognition of excellent performance in terms of scientific publications or presentations during the early stage of their scientific career. It also recognizes who have collectively made unique and significant contributions to the scientific community related to the conference theme. It also provide platform to professional networking with

researchers of similar interest from others part of the world and also encourage the participants in taking active part in the International Science platform to sharpen their skills and knowledgebase. The aim of these Award is to inspire, to identify the marvellous work and bring together the participants such as Master/ Ph.D./Post Doctorate and to in the area of [Wireless, Telecommunication & IoT](#).

Guidelines for Young Researchers Forum- Young Scientist Awards

Benefits

- ❖ Showcase your research through oral presentations.
- ❖ Learn about career development and the latest research tools and technologies in your field.
- ❖ The forum will provide an opportunity for collegial interaction with other young investigators and established senior investigators across the globe.

Eligibility

- ❖ Young Scientist (e.g. Post-Graduate students, Post-doctoral fellows, Trainees, junior faculty) are the focus of this event.
- ❖ Each individual participant is allowed to submit only one or two paper, it must include at least one co-author (Guide ,Professor)
- ❖ None of the authors should have senior position or faculty position.
- ❖ Participants should be below the age of 35 years.

Judging Criteria

- ❖ The judgment will be done by Board of Jury.
- ❖ You will be given about 8-10 minutes to present your poster including questions and answers. Judges may pose questions during the evaluation of the poster.
- ❖ The winners will be announced at the closing ceremony of the conference. The decision of the winner will be withdrawn if the winner/winners is/are not present at the time of announcement.
