

## Young Research Forum on Advanced Materials & Nanotechnology

Peng-Sheng Wei

### Prestigious Award for Young Research's at Advanced Materials 2021 - Discovering New Exploration in Advanced Materials & Nanotechnology field.

Advanced Materials Conference Committee is glad to announce "26<sup>th</sup> International Conference on Advanced Materials & Nanotechnology" November 15 -26, 2021 in Madrid, Spain by focus on the theme: "Exchange of Technological Advances in the field of Advanced Materials & Nanotechnology" [Advanced Materials 2021](#) developments are maintaining their momentum. Advanced Materials Conference program delves into strategic discussions.

### Advanced Materials 2021 Young Scientist Awards:

Advanced Materials Conference Committee is intended to honour prestigious award for talented Young researchers, scientists, Young Investigators, Post-Graduate students, Post-doctoral fellows, Trainees, Junior faculty in recognition of their outstanding contribution towards the conference theme. The Young Scientist Awards make every effort in providing a strong professional development opportunity for early career academicians by meeting experts to exchange and share their experiences on all aspects of Advanced Materials & Nanotechnology.

[Young Research's Awards](#) at [Advanced Materials 2021](#) for the Nomination: Young Researcher Forum - Outstanding Masters/Ph.D./Post Doctorate thesis work Presentation, only 25 presentations acceptable at the Advanced Materials 2021 young research forum.

### Guidelines for Young Researchers Forum Benefits

Young Scientist Award recognition certificate and memento to the winners.

Our conferences provide best Platform for your research through oral presentations.

Learn about career improvement with all the latest technologies by networking.

Young Scientists will get appropriate and timely information by this Forum.

Platform for collaboration among young researchers for better development.

Provide an opportunity for research interaction and established senior investigators across the globe in the field.

Share the ideas with both eminent researchers and mentors.

It's a great privilege for young researchers to learn about the research areas for expanding their research knowledge.

### Eligibility

Young Investigators, Post-Graduate students, Post-doctoral fellows, Trainees, junior faculty with a minimum of 5 years of research experience

Presentation must be into scientific sessions of the conference.

Each Young Researcher / Young Scientist can submit only one paper (as first author or co-author).

Age limit-Under 35yrs

All submissions must be in English.

[Advanced Materials 2021](#) provides best platform to expand your network, where you can meet scientists, authorities and CROs from around the world. It's your time to grab the opportunity to join [Advanced Materials 2021](#) for promoting your research article and to facilitate prestigious award in all categories. In this fame, we look forward for your contribution and astonishing dedication to make our [Advanced Materials 2021](#) more successful.
