

# Young Researchers Awards: Young Scientist Awards & Best Poster Awards at Euro-Global Summit on Probiotics

**Nancy J Emenaker**

*Program Director, National Cancer Institute, USA, E-mail: emenaken@mail.nih.gov*

Conferences Series LLC take great pleasure in inviting the scientific community across the globe to the Euro-Global Summit on Probiotics during August 09-03, 2021 at Zurich, Switzerland. This meeting will explore advances in the Probiotics and Nutraceuticals.

The conference will serve as a platform to bring together young scientist, leading scientists, researchers, organizations and all representatives of company sectors with different specialties such as Probiotics and Nutraceuticals. This event is an open forum specifically dedicated for young investigators (i.e. students, PhD candidates and early stage postdocs) working in all fields in the broader area of Probiotics and Nutraceuticals. This forum will not only discuss state-of-the-art science to broaden the scientific knowledge of the participants but allow the young researchers to benefit as well from several specifically designed interactive sessions to advance their own career/ research. In particular, the forum aims to foster the spirit of teamwork among the participants, providing the opportunity to network globally and to establish own professional networks.

This event is an open forum specifically dedicated for young investigators (i.e. students, PhD candidates and early stage postdocs) working in all fields in the broader area of Probiotics and Nutraceuticals. This forum will not only discuss state-of-the-art science to broaden the scientific knowledge of the participants but allow the young researchers to benefit as well from several specifically designed interactive sessions to advance their own career/ research. In particular, the forum aims to foster the spirit of teamwork among the participants, providing the opportunity to network globally and to establish own professional networks. <sup>Benefits</sup> Showcase your research through oral presentations. Learn about career development and the latest research tools and technologies in your field. The forum will provide an opportunity for collegial interaction with other young investigators and established senior investigators across the globe. Eligibility Young Scientist (e.g. Post-Graduate students, Post-doctoral fellows, Trainees, junior faculty) are the focus of this event. Each individual participant is allowed to submit only one or two paper, it must include at

least one co-author (Guide, Professor) None of the authors should have senior position or faculty position. Participants should be below the age of 35 years. Best Poster Presentation – Best Poster Awards, Probiotic 2021 The Best Poster Award is meant to encourage students in taking active part in the International Science platform to sharpen their skills and knowledgebase. This Award is to highlight good quality posters presented at the Annual Meetings. The Award will be given to the best students, PhD candidates and early stage postdocs. It rewards a combination of excellent research, innovation, and presentation. As the goal of this poster award is to foster the clear communication of scientific content also to non-specialists of the presented topic, the emphasis of the evaluation will be put on the attractiveness of the graphical representation and on the clarity of the text. Only posters which satisfy the communication criteria will be taken into consideration for the evaluation from a scientific point of view
