

Young Researchers Forum - Young Scientist Awards Biodiversity 2020

Ajah Uzoigwe James

EECCA President Organization: Earth Environment And Climate Care Ambassadors (EECCA). Nigeria, E-mail: citycleanersinternational@gmail.com

Conference Series LLC LTD is organizing “**10th International Conference on Biodiversity and Conservation**” which is going to be held in the month of on **October 12-13, 2020 at Sydney, Australia**. The Theme of the conference is “**Variety of Species Innovates Variety of Research**”. The conference offers Prestigious Award for Young Research’s at **BIODIVERSITY 2020** Gathering the New-born Advances in Biodiversity.

Biodiversity 2020 invites research scholars & young scientists, to submit the nominations for Young Scientist Awards: Biodiversity 2020. This Biodiversity 2020 Young Scientist Awards will be announced at the upcoming “**10th International Conference on Biodiversity and Conservation**” on **October 12-13, 2020 at Sydney, Australia**.

This **BIODIVERSITY 2020** is an initiative of Conference Series to recognize and provide incentives to the Young Researchers who has shown great potential at their respective field of research. We at Conference Series always encourage the young budding minds to start their career in the field of research and innovations. The core of our Young Research Forum – Young Scientist Awards is to motivate the scholars to present their research ideas in front of the global experts and enhance their knowledge at our international platform. We at **BIODIVERSITY 2020** provide the best networking experience to the participant for their overall professional growth and to promote the collaborative research.

About Hosting Organization: Conference Series:

Conference Series LLC LTD is the world’s leading specialist in organizing Academic, Scientific and Business conferences, meetings, symposiums and exhibitions in different verticals and horizontals like Medical, Pharma, Engineering, Science, Technology and Business to promote scientific research. Every year we host more than 3000+ global events inclusive of 1000+ Conferences 1000+ Symposiums 1000+ Workshops in USA, Europe, Middle East and Asia with the generous support and cooperation from our 30000+ Editorial Board Members, 1000+ Scientific Societies. All the conference proceedings are published in the special issues of our 700+ Open Access International Journals with the DOI provided by CROSSREF.

Biodiversity 2020 Conference will be an investigation of new research Innovation in the field of biodiversity and spread the most recent advancements in biodiversity and conservations. Discussion on new technology advancement in the field of biodiversity and conservations, current practices in Biodiversity, Sustainable Development, Climate Change and Global Warming, Environmental Pollution & Management, Biodiversity and Food Security, Threats to Biodiversity, Vulnerable species, Forestry,

Marine Biodiversity, Plant and Animal Biodiversity, Ecology and Biodiversity Conservation, Climate Change and Global Warming, Sustainable Development, Endangered Species, Global Warming, Biodiversity and Ecosystem, Biodiversity Models and Conservation Methods.

Why to attend?

This International Conference is open to Students, Researchers, Engineers, Scholars from all Universities all around the world to impact Networking & Professional Development. Foreseen regions of center incorporate environmental safety and its advances; this is your best chance to achieve the biggest assemblage of participants from the public health community. Conduct presentations, distribute information, meet with current ecologists, environmental health and safety engineers and get name acknowledgment at this 2-days event. Biodiversity 2020 envisions many agents including universal keynote talks and oral introductions by eminent speakers and blurb introductions by understudies, Exhibitors and delegates all around the globe which will create a stage for worldwide advancement. It gives global systems administration and chances to coordinated efforts with overall organizations and ventures.

Target Audience

Join in the **BIODIVERSITY 2020** to keep up to date with the industry and to learn from our expert speaker panel, bringing you essential new contextual analysis and reports on the current year’s relevant topics.

- Ecologists
- Environmental Scientists
- Biologists
- Forestry Scientists
- Marine Scientists
- Fresh Water researchers
- Archaeologists
- Conservation Scientists

A Unique Opportunity for Advertisers, exhibitors, and Sponsors at 10th International Conference on Biodiversity and Conservation <https://biodiversity-ecosystem.conferenceseries.com/>

Eligibility Criteria for Young Scientist Awards

The Biodiversity 2020: Young Scientist Awards: is for all young Researchers, Research Scholars (Preferably PhD, Post Doc, and

Post Graduates & Graduates) who has involved themselves into the R&D sector. The candidates should have minimum 3+ years of research experience and published minimum 3 research articles in international journals. Part time researchers can be considered subject to recommended by the research guide or any director level designated person from the organization.

Applications are invited on first come first basis. Only 25 nominations are accepted globally.

Basis for Judging

Nominated candidates need to present their research or talk for 25-30 minutes in front of the panel members. Subject should be under the scope of the **BIODIVERSITY 2020** conference. Selection will be on the basis of individual accomplishments, quality & standards of research, noble thought, research methodology, **innovative ideas**, style of presentation, significance of the contribution to the field, originality, clarity, and future extended scope of the research and probability of bringing the research in terms of products/services into public domain.

Nomination

We invite online applications from desired candidates, self-nomination or nominated by organizations (both private & public sectors)/research guides. The student must be the first author & the student's advisor should attach a statement that their contribution is primarily advisory.

Candidates applying for the **BIODIVERSITY 2020: Young**

Researcher Award should send their resume, along with a letter of recommendation (from a research adviser/faculty/organization heads) to environmentalcong@expert-meetings.com, along with the online application at the **BIODIVERSITY 2020** Award page.

Presentation

This award will be presented at Sydney, Australia during Biodiversity 2020 conference.

Prize

We will recognize the awardee(s) with a Memento & Certificate of Appreciation followed by special incentive for the next chapter of the conference.

The prize-winning papers will be considered for publication in the supporting journals subjected to standard review procedures.

Opportunity will be given to be Student Ambassador for the subsequent future conferences.
