

Young Researchers Forum - Young Scientist Awards Genome 2020 Prestigious Award for Young Research's at Genome 2020- Discovering New Exploration in Genetics field.

David I Smith

Professor, Laboratory Medicine and Pathology, Mayo Clinic, USA., E-mail: Smith.David@mayo.edu

[Genome 2020](#) invites scholars, researchers, academicians, students and corporate entities across the globe to join the conference

[Genetics and Molecular Biology Conference](#) Committee is glad to announce "14th International Conference on Genomics & Pharmacogenomics" September 21-22, 2020 in Vancouver, Canada by focus on the theme: "New Strategies & Emerging Trends in Genome and Pharmacogenomics"

Genome 2020 developments are maintaining their momentum. Genomics & Pharmacogenomics Conference program delves into strategic discussions.

Genome 2020 Young Scientist Awards:

Genome 2020 intended to honour prestigious award for talented Young researchers, scientists, Young Investigators, Post-Graduate students, Post-doctoral fellows, Trainees, junior faculty in recognition of their outstanding contribution towards the conference theme. The Young Scientist Awards make every effort in providing a strong professional development opportunity for early career academicians by meeting experts to exchange and share their experiences on all aspects of Genomics.

Young Research's Awards at Genome 2020 for the Nomination: Young Researcher Forum - Outstanding Masters/Ph.D./Post Doctorate thesis work Presentation, only 25 presentations acceptable at the Genome 2020 young research forum.

Benefits:

- Young Scientist Award recognition certificate and memento to the winners

- Our conferences provide best Platform for your research through oral presentations.
- Learn about career improvement with all the latest technologies by networking.
- Young Scientists will get appropriate and timely information by this Forum.
- Platform for collaboration among young researchers for better development.
- Provide an opportunity for research interaction and established senior investigators across the globe in the field
- Share the ideas with both eminent researchers and mentors.
- It's a great privilege for young researchers to learn about the research areas for expanding their research knowledge.

Eligibility:

- Presentation must be into scientific sessions of the conference.
- Each Young Researcher / Young Scientist can submit only one paper (as first author or co-author).
- Age limit- Under 35yrs
- All submissions must be in English.
- Young Investigators, Post-Graduate students, Post-doctoral fellows, Trainees, Junior faculty with a minimum of 5 years of research experience

Genome 2020 provides best platform to expand your network, where you can meet scientists, authorities and CROs from around the world. It's your time to grab the opportunity to join Genome 2020 for promoting your research article and to

facilitate prestigious award in all categories. In this fame, we look forward for your contribution and astonishing dedication to make our Genome 2020 more successful.

The prize winning papers will be considered for publication in the international journals once the paper is subjected to standard review procedures.

How to apply

Candidates applying for the Young Researcher Award should send their resume, and a letter of

recommendation (from a research adviser for students or a senior faculty member) to genome@eventsupporting.org along with the online application form below.
