Conference Series LLC LTD is organizing “[17<sup>th</sup> Asia Pacific Nephrology Conference](#)” which is going to be held in the month of September 14-15, 2020 at Osaka, Japan. The Theme of the conference is “Novel Discoveries in the field of Nephrology”. The conference offers Prestigious Award for Young Research’s at Nephrology Summit 2020- Gathering the New-born Advances in Nephrology.

[Nephrology Summit 2020](#) invites research scholars & young scientists, to submit the nominations for Young Scientist Awards: Nephrology Summit 2020. This Nephrology Summit 2020 Young Scientist Awards will be announced at the upcoming “17<sup>th</sup> Asia Pacific Nephrology Conference” at Osaka, Japan on September 14-15, 2020.

This **Nephrology Summit 2020** is an initiative of Conference Series to recognize and provide incentives to the Young Researchers who has shown great potential at their respective field of research. We at Conference Series always encourage the young budding minds to start their career in the field of research and innovations. The core of our Young Research Forum – Young Scientist Awards is to motivate the scholars to present their research ideas in front of the global experts and enhance their knowledge at our international platform. We at Nephrology Summit 2020 provide the best networking experience to the participant for their overall professional growth and to promote the collaborative research.

17th Asia Pacific Nephrology Conference will discuss the latest research technologies and therapeutic aspects developed for various kidney diseases which include renal transplantation, dialysis equipment and other procedures involved in the treatment of Chronic Kidney Diseases and End Stage Renal Diseases. This year’s annual Conference highlights the theme “Recent advancements of research and treatment in the field of nephrology”.

Nephrology Summit 2020 is a unique platform to meet fellow key decision makers and expert’s all-around nephrologists and kidney specialists from leading universities and research institutions making the conference perfect platform to share experience, Research talks, foster collaborations put forward many thought provoking strategies across industry and academia, and evaluating technologies across the globe.

**Nephrology Summit 2020** Conference will be an investigation of new research Innovation in the field of Nephrology and spread the most recent advancements in heart disease prevention and rehabilitation. Discussion on new technology advancement in the field of Metabolic, Fluid & Electrolyte disorders, Pediatric Nephrology, [Geriatric Nephrology](#), Diabetic Nephropathy, [Nephrology Nursing](#), [Clinical Nephrology](#), Renal Nutrition & Metabolism, [Urinary Tract Infection](#) & Urology, Technological Advancements in Nephrology, Renal Transplantation and Immunology, Onconephrology and Nephritis and more.

**Past conference report:**

The “[16th Asia Pacific Nephrology Conference](#)” hosted by conference series with the theme, “*Novel Discoveries in the field of Nephrology*” was successfully executed during October 09-10, 2019 in Osaka, Japan. The conference offered a unique opportunity to investigators across the globe in order to meet, explore, network and perceive new scientific innovations. The conference received commendable and active participation was received from the Editorial Board Members of OMICS Group Journals as well as from the [global scientists](#), Professors, Academicians, Researcher Scholars and students from diverse fields of [Urology and Nephrology](#). Benevolent response and active participation was received from the Editorial Board Members of OMICS Group Journals as well as from the Scientists, Doctors, Professors, Nursing Lecturers, Nurses, Pharmaceutical Industries, Healthcare Industries, Researchers and Students from the fields of Healthcare, those who involved in this successful event.

Guidelines for Young Researchers Forum- Young Scientist Awards

**Benefits**

- Showcase your research through oral presentations.
- Learn about career development and the latest research tools and technologies in your field.
- The forum will provide an opportunity for collegial interaction with other young investigators and established senior investigators across the globe.

**Eligibility**

- Young Scientist (e.g. Post-Graduate students, Post-doctoral fellows, Trainees, junior faculty) are the focus of this event.
- Each individual participant is allowed to submit only one or two paper, it must include at least one co-author (Guide ,Professor)

- None of the authors should have senior position or faculty position.
- Participants should be below the age of 35 years.

**Best Poster Presentation – Best Poster Awards, Pharmaceutical Sciences 2020**

The Best Poster Award is meant to encourage students in taking active part in the International Science platform to sharpen their skills and knowledgebase. This Award is to highlight good quality posters presented at the Annual Meetings. The Award will be given to the best students, PhD candidates and early stage postdocs. It rewards a combination of excellent research, innovation, and presentation. As the goal of this poster award is to foster the clear communication of scientific content also to non-specialists of the presented topic, the emphasis of the evaluation will be put on the attractiveness of the graphical representation and on the clarity of the text. Only posters which satisfy the communication criteria will be taken into consideration for the evaluation from a scientific point of view.

Guidelines for Best Poster Presentation – Best Poster Awards

**Benefits**

- ❖ This award will be provided to participants like student and recent graduates to present their original real-time work and share their views and aspects related to the theme of the conference.
- ❖ Award should motivate participants to strive to realize their full potential which could in turn be beneficial to the field as whole.

**Eligibility**

- This competition is open to all students (Graduates, Post Graduates and Research Scholars).
- Abstracts have to be submitted through online or by email. Shortlisted abstracts for the competition will be intimated through email and those will be displayed on the website as well.

If the registered author/poster presenter is unable to attend the conference he/she may send a substitute who can be a co-author (or) any member from the same institution. If the winner is a substitute, he/she will be awarded and not the registered author/contestant.

#### Judging Criteria

- The judgment will be done by Board of Jury.
- You will be given about 8-10 minutes to present your poster including questions and answers. Judges may pose questions during the evaluation of the poster.
- The winners will be announced at the closing ceremony of the conference. The decision of the winner will be withdrawn if the winner/winners is/are not present at the time of announcement.

#### Eligibility Criteria for Young Scientist Awards: Nephrology Summit 2020:

The Nephrology Summit 2020: Young Scientist Awards: is for all young Researchers, Research Scholars (Preferably PhD, Post Doc, and Post Graduates & Graduates) who has involved themselves into the R&D sector. The candidates should have minimum 3+ years of research experience and published minimum 3 research articles in international journals. Part time researchers can be considered subject to recommended by the research guide or any director level designated person from the organization.

**Applications are invited on first serve first basis. Only 25 nominations will be accepted globally.**

**Basis for Judging:** Nominated candidates need to present their research or talk for 25-30 minutes in front of the panel members. Subject should be under the scope of the [Nephrology Summit 2020](#) conference. Selection will be on the basis of individual accomplishments, quality & standards of research, noble thought, research methodology, innovative ideas, style of presentation, significance of the contribution to the field, originality, clarity, and future extended scope of the research and probability of ringing the research in terms of products/services into public domain.

**Nomination:** We invite online applications from desired candidates, self-nomination or nominated by organizations (both private & public sectors)/research guides. The student must be the first author & the student's advisor should attach a statement that their contribution is primarily advisory.

Candidates applying for the Nephrology Summit 2020: Young Researcher Award should send their resume, along with a letter of recommendation (from a research adviser/faculty/organization heads) to [nephrologysummit@asiapacificmeets.com](mailto:nephrologysummit@asiapacificmeets.com) along with the online application at the Nephrology Summit 2020 Award page.

**Presentation:** This award will be presented at Osaka, Japan during Nephrology Summit 2020 conference.

#### About Hosting Organization: Conference Series:

[Conference Series LLC LTD](#) is the world's leading specialist in organizing Academic, Scientific and Business conferences, meetings, symposiums and exhibitions in different verticals and horizontals like Medical, Pharma, Engineering, Science, Technology and Business to promote scientific research. Every year we host more than 3000+ global events inclusive of 1000+ Conferences 1000+ Symposiums 1000+ Workshops in USA, Europe, Middle East and Asia with the generous support and cooperation from our 30000+ Editorial Board Members, 1000+ Scientific Societies. All the conference proceedings are published in the special issues of our 700+ Open Access International Journals with the DOI provided by CROSSREF.
