Conference Series LLC LTD is organizing “[Global Summit on Healthcare and Life Science Research](#)” which is going to be held in the month of November 16-17, 2020 at Kyoto, Japan. The Theme of the conference is *to witness in valuable scientific discussions and contribute to the future innovations in the field of Healthcare and Life Science*. The [conference](#) offers Prestigious Award for Young Research's at **NUTRITION-2020** - Gathering the New-born Advances in **Healthcare and Life Science**.

NUTRITION-2020 invites research scholars & young scientists, to submit the nominations for Young Scientist Awards: NUTRITION-2020. This NUTRITION-2020 Young Scientist Awards will be announced at the upcoming “**Global Summit on Healthcare and Life Science Research**” at Kyoto, Japan on November 16-17, 2020.

This [NUTRITION-2020](#) is an initiative of Conference Series to recognize and provide incentives to the Young Researchers who has shown great potential at their respective field of research. We at Conference Series always encourage the young budding minds to start their career in the field of research and innovations. The core of our Young Research Forum – Young Scientist Awards is to motivate the scholars to present their research ideas in front of the global experts and enhance their knowledge at our international platform. We at NUTRITION-2020 provide the best networking experience to the participant for their overall professional growth and to promote the collaborative research.

NUTRITION-2020 Conference will be an investigation of new research Innovation in the field of Healthcare and Life Science and spread the most recent advancements in heart disease prevention and rehabilitation. Discussion on new technology advancement in the field of age-specific specialty, healthcare and Life Science encompasses disciplines such as behaviour guidance, care of the medically and

developmentally compromised and disabled people, supervision of health problem and development, caries prevention, sedation, pharmacological management. These skills are applied to the needs of people throughout their ever-changing stages of development and to treating conditions and diseases unique to growing individuals.

Encounter the target market with members from across the globe, committed to learn about novel technologies and innovations in [Healthcare and Life Science](#). This is the best opportunity to outreach the largest gathering of participants from around the world. Conduct presentations, distribute and update knowledge about the advancements in [Clinical Healthcare](#), Healthcare Imaging, and Health Regeneration and in different fields of Healthcare and Life Science by receiving name recognition at this 2-days event. World-eminent speakers, most recent researches, latest treatment techniques and the advanced updates in Healthcare and Life Science are the principal features of this conference.

### Past Conference Report:

#### Healthcare & Nutritionists 2016 Report

The 7th Global Dieticians and Nutritionists Annual Meeting (Nutritionists 2016) hosted by [Conference Series LLC](#) took place at Philadelphia, USA during December 05-07, 2016. It was organized by [Conference Series LLC](#) and generous response was received from the Editorial Board Members of [Conference Series LLC](#) Journals as well as from eminent scientists, talented researchers and young student community. Researchers and students who attended from different parts of the world made the conference one of the most successful and productive events in 2016 from Conference Series LLC. The three day program witnessed thought provoking keynote and plenary presentations from experts in the field of

Nutrition, highlighting the theme, *To discuss novel research and innovations in the field of Dietetics and Nutrition.*

The meeting was carried out through various sessions, in which the discussions were held on the following major scientific tracks:

- Clinical Nutrition & Sports Nutrition
- Malnutrition and Nutritional Disorders
- Plant and Animal Nutrition
- Diet in Obesity & Gastrointestinal Disorders
- Nutrient in Cancer & Chronic diseases
- Nutrition in Pregnancy and Lactation and Paediatric Nutrition
- Current Research in Nutrition and Dietetics
- Nutrition, Health and Aging

#### **Eligibility Criteria for Young Scientist Awards NUTRITION-2020:**

The NUTRITION-2020 Young Scientist Awards is for all young Researchers, Research Scholars (Preferably PhD, Post Doc, and Post Graduates & Graduates) who has involved themselves into the R&D sector. The candidates should have minimum 3+ years of research experience and published minimum 3 research articles in international journals. Part time researchers can be considered subject to recommended by the research guide or any director level designated person from the organization.

**Applications are invited on first come first serve basis. Only 25 nominations will be accepted globally.**

#### **Judging Criteria:**

Nominated candidates need to present their research or talk for 25-30 minutes in front of the panel members. Subject should be under the scope of the NUTRITION-2020 conference. Selection will be on the basis of individual accomplishments, quality & standards of research, noble thought, research methodology, [innovative ideas](#), style of presentation, significance of the contribution to the field, originality, clarity, and future extended scope of the

research and probability of bringing the research in terms of products/services into public domain.

#### **Nomination:**

We invite online applications from desired candidates, self-nomination or nominated by organizations (both private & public sectors)/research guides. The student must be the first author & the student's advisor should attach a statement that their contribution is primarily advisory.

Candidates applying for the **NUTRITION-2020 Young Researcher Award** should send their resume, along with a letter of recommendation (from a research adviser/faculty/organization heads) to [healthcare-congress@asiapacificmeets.com](mailto:healthcare-congress@asiapacificmeets.com) along with the online application at the **NUTRITION-2020 Award** page.

#### **Presentation:**

This award will be presented at [Kyoto, Japan](#) during NUTRITION-2020 conference.
