Moreover, oral correspondences of (post)doctoral junior researchers will be considered. It is the objective of the coordinators to make this gathering an occasion of logical greatness, appealing to both mechanical and scholastic researchers in Pharmaceutical Sciences of Relevant Field.

Past Conference Report

Conference Series hosted the 19th World Congress on Pharmaceutical Sciences and Innovations in Pharma Industry at Park Inn by Radisson London Heathrow, UK during February 26-27, 2019. The conference was designed around the theme of "Latest Trends in Pharmacy: Spanning the Gap in Research and Product Commercialization" and was a great success where eminent keynote speakers from various reputed companies made their resplendent presence and addressed the gathering. Moreover, the networking sessions laid the foundation for some time worthy collaborations between many start-up and big industries. The post conference networking lunch session witnessed a number of B2B meetings that are

turning up to be mutually beneficial to both the organizations who had gone in for the business meetings.

Pharmaceutical Sciences 2019 witnessed an amalgamation of peerless speakers who enlightened the crowd with their knowledge and confabulated on various new-fangled topics related to the field of Pharma Industry and Pharma Sciences. This congress not only brought forward the latest developments in the field but also provided solutions to the numerous challenges encountered in developing a Pharma Industry.

Eligibility Criteria for Young Scientist Awards Pharma Meet 2020

The Pharma Meet 2020 Young Scientist Awards is for all Young Researchers, Research Scholars (Preferably PhD, Post Doc and Post Graduates & Graduates) who has involved themselves into the R&D sector. The candidates should have minimum 3+ years of research experience and published minimum 3 research articles in international journals. Part time researchers can be considered subject to recommended by the research guide or any director level designated person from the organization.

Judging Criteria

Nominated candidates need to present their research or talk for 25-30 minutes in front of the panel members. Subject should be under the scope of the Pharma Meet 2020 conference. Selection will be on the basis of individual accomplishments, quality & standards of research, noble thought, research methodology, innovative ideas, style of presentation, significance of the contribution to the field, originality, clarity, and future extended scope of the research and probability of bringing the research in terms of products/services into public domain.

Nomination

We invite online applications from desired candidates, self-nomination or nominated by organizations (both private & public sectors)/research guides. The student must be the first author & the student's advisor should

attach a statement that their contribution is primarily advisory002E. Candidates applying for the Pharma Meet 2020 Young Researcher Award should send their resume, along with a letter of recommendation (from a research adviser/faculty/organization heads) to pharmameet@expert-meetings.com along with the online application at the Pharma Meet 2020 Award page.

Presentation

This award will be presented at Yokohama, Japan during Pharma Meet 2020 conference.

About Hosting Organization: Conference Series
