

## Young Scientist Awards at WIRELESS CONFERENCE 2020 for the best researches in Wireless Technologies

Lie-Liang Yang

Professor of wireless communications, School of Electronics and Computer Science, University of Southampton, United Kingdom, Email: lly@ecs.soton.ac.uk

7th International Conference on Wireless and Satellite Communication (Wireless Conference 2020) is going to become a huge platform to all the Engineers, Researchers, Innovators, Scientists, Professors, Academics students, and the expertise in the field of Wireless to share and explore their views on their research and case studies with the global experts. The conference is going to be held during May 21-22, 2020 at London, UK.

We are thrilled to bring together a community of individuals dedicated to transforming the technologies in a different way. Wireless Conference 2020 is more than a conference, which has something for everyone from the science in the field of wireless technologies. As a community of electronics and technology developers, we know that we need to mobilize and be the change we want to see in the modern era. It is our opportunity to connect with the people involved in this from all over the world to learn the latest information on the Wireless. This International Conference will provide a platform to budding researchers share their thoughts and experience towards the betterment of the quality of life.

Conference Series LLC Ltd proudly announcing Young Researchers Awards with an aim to recognize outstanding achievement and contribution of professionals and researchers in the area of medical, life sciences, physical sciences, health care and engineering.

Young Researchers Presentation is a key session at 7th International Conference on Wireless and Satellite Communication which is scheduled during May 21-22, 2020 London, UK. Wireless Conference 2020 focused on the theme "Future of Technologies in Cancer Treatment".

Wireless conference committee will be providing a platform for all talented young researchers,

investigators, Post-graduate/Master students, PhD scholars to showcase their current research and innovation.

Major scientific sessions of Wireless Conference 2020 are [Communication](#) Technologies, Wireless Communication, Satellite Communication, Aerospace, Artificial Intelligence, 5G and Beyond, Communication Theory and this international conference will be attracting leading researches and decision makers in their field, principal investigators, and business professionals for sharing knowledge and research globally.

### Eligibility

Postgraduates/masters student, junior scientist, young faculty member, PhD scholar and Postdoc researchers

**Privileges:** The Young Scientist Feature is a platform to promote young researchers in their respective area by giving them a chance to present their achievements and future perspectives.

- Acknowledgement as YRF Awardee
- Recognition by providing certificates and memento
- Recognition through website promotion and award page
- Networking opportunity to coordinate with partners around the world
- Publish that particular research paper for free

### Criteria

- All accepted abstracts will automatically be considered for the Award.

- All the presentation will be evaluated at the conference venue
- All the awards will be selected by the judges of the award category
- The awards will be assessed as far as plan and format, intelligence, argumentation and approach, familiarity with past work, engaging quality, message and primary concerns, parity of content visuals, and by and large impression

#### **Guidelines**

- All submissions must be in English
- The topic must fit into [scientific](#) sessions of the conference
- Each individual participant is allowed to submit maximum 2 abstracts
- Abstract must be submitted online as per the given abstract template

- Abstracts must be written in Times New Roman and font size will be 12
- Abstract must contain title, name, affiliation, country, speakers biography, recent photograph, image and reference

#### **Conditions of Acceptance**

To receive the award, the awardee must submit the presentation for which the award is given, for publication at the website, along with author permission. Failure to submit the PPT, and permission within the designated timeframe will result in forfeiture of award.

#### **Award Announcements**

Official announcement of the recipients will occur after the completion of conference.
