

2021 Annual meeting program awards

Ramachandran Muthiah

Clinical child psychologist, Art Therapist, Gujarat University, UK, cardioramachandran@yahoo.co.uk

9th International Conference on Brain Injury & Neuroscience which was organized in Geneva, Switzerland during November 14-15, 2019 has invited all the participants, speakers, students, delegates, sponsors, exhibitors from all over the globe to the conference. These awards were nominated by an inclusive process through Division or Interest Groups. A winner is chosen from the finalists by dedicated award committees. The conference offered emerging scholar awards to outstanding researchers, exceptional graduates or early academicians who have distinctive enthrallment towards the conference themes. The Award strives in providing a strong professional development opportunity for early career academicians—meeting experts in the field, interacting with colleagues from other parts of the world, and creating networks and long-term relations. The five categories in which contestants were nominated and announced as winners are

- Best Keynote Speaker
- Best Organising Committee Member
- Best Speaker - Maria Lorenz, University of Texas, USA
- Best Masters/Ph.D/PosdDoc Thesis work presentation
- Best Poster Award
