Editorial highlights for Chemical Sciences Journal

I am pleased to introduce Chemical Sciences Journal (CSJ) a rapid peer reviewed International Journal. CSJ is an Open Access Journal. So readers can access all published articles in free of charge. The journal is devoted to the promotion of Chemical sciences and related disciplines. I am pleased to declare that, all issues of volume 10 were published online well within the time and the print issues were also brought out and dispatched within 30 days of publishing the issue online during the year of 2019.

This Journal focuses on the fields of chemistry which includes Organic chemistry, Inorganic chemistry, Physical chemistry, Materials science, Nanoscience 's, Catalysis, Chemical biology, Analytical chemistry, Supramolecular chemistry, Computational and theoretical chemistry, Energy and environmental chemistry, Industrial chemistry, Applied chemistry etc..

All published articles of this journal are included in the indexing and abstracting coverage of Index Copernicus, CAS Source Index (CASSI), Google Scholar, Genamics Journal Seek, Cosmos IF, RefSeek, Hamdard University, EBSCO A-Z, OCLC- World Cat, Scholarsteer, Publons. Studies receiving funding from a funding organization that is included on the list of PMC and Research Funder Policies or authors having NIH grant were submitted to PubMed (PubMed NLM ID: 101568098).

During the calendar year of 2019, CSJ received a total of 10 manuscript, out of which 06 articles (60%) were rejected in the preliminary screening due

to plagiarism or being out of the format and peer review process. During 2019 around 04 articles were subjected for publication after they are accepted in the peer review process. In the 1 and 2 issues of Volume 10 published during the year 2019, a total of 04 articles were published (at an average of 02 articles per issue) of which, articles were published from authors all around the world. Globally articles have been accessed by the research scientists and also cited.

During the calendar year 2019, a total of one Editors, 3 Reviewers joined the board of CSJ and contributed their valuable services towards contribution as well as publication of articles, and their valuable reviewer comments will beneficial to publish quality of article in the Journal.

I take this opportunity to acknowledge the contribution of (Hideharu Shintani) during the final editing of articles published and the support rendered by the editorial assistant, in bringing out issues of CSJ in time. I would also like to express my gratitude to all the authors, reviewers, the publisher, the advisory and the editorial board of CSJ, the office bearers for their support in bringing out yet another volume of CSJ and look forward to their unrelenting support to bring out the Volume 11 of CSJ in scheduled time.
