

Editorial Note

Ravindra Pratap Singh*

Department of Biotechnology, Indira Gandhi National Tribal University, Amarkanta, Madhya Pradesh, India

Dear Readers,

With a great pleasure, I would like to express my happiness on the occasion of entering into the 12th year of this Scientific Publishing Field. Initially we started this Journal of Bioanalysis & Biomedicine (ISSN: 1948-593X) with the aim to disseminate advanced knowledge all over the globe. Fortunately, with the steady help of Eminent Editor-in-Chief's and Editorial Board Members, Potential Reviewers and Active Authors we can run this journal so effectively till now and we hope it continues in near future also.

Fortunately, with the steady help of Eminent Editor-in-Chief's and Editorial Board Members, Potential Reviewers and Active Authors we can run this journal so effectively till now and The Journal of Bioanalysis & Biomedicine (JBABM) provides the publication of articles. In the year of 2019, we have published a good number of articles, which were ongoing disclosures.

JBABM, is a peer reviewed scholarly journal that aims for wide dispersal of research advancements regarding the Biomedicine and Pharmacotherapy. The journal focuses on the promotion of biomedical research through the rapid publication of excellent high-quality research articles, systematic reviews and innovation reports, perspectives on current improvements in the field of Nanomedicine, Drug Development, Toxicology, Biomarkers in toxicology, Spectroscopic & Chromatographic techniques, etc.

The journal additionally distributes compositions on research improvements relating to the Biomedicine of generally complete and solid wellspring of information on the disclosures and propelled advancements in this field.

In the previous years, aside from releasing regular issues at present, our principle center is to make scientific papers more open for aspiring researchers. With the help of Editor-in-Chief's, Editorial board members, Executive editors and Guest Editors, we are planning to come up with fascinating special issue themes to empower the authors.

The Journal of Bioanalysis & Biomedicine comes under the top ten journals in this open access field. In 2020, we have already released one issue and now we are in the process of releasing another issue Finally, JBABM sincerely appreciates each and every member for their valuable service in this Publication Process. We

generally anticipate work with numerous young researchers over the globe.

Upcoming Strategies to improve Journal

We endeavor to improve readers for the published respective article in different social networking stages like Twitter, Linked in, etc.

We are moving toward center Laboratories, research establishments, examination labs and departmental Universities for call for papers just as related journals.

We are sending ideal Call for papers for the separate countries as indicated by their time line.

We are using Search Engine Optimization (SEO), by adding major keywords in the article, it would be easier for the Google Keyword Planner to show our article in higher pages while the readers search.

We are additionally accessible to the authors through live chat and Whatsapp to respond quickly.

Authors are cordially invited to submit their current research exercises and results as any article Type of science correspondence, such as original research, review, expert opinion, commentary, short note communication to our Journal.

Manuscripts can be submitted [online](#) via Editorial Tracking System or as an E-mail attachment to the

submissions@hilarispublisher.com JBABM is using Online Review and Editorial Tracking Systems for quality review process and the authors can submit manuscripts and track their progress.

Have a great & healthy day ahead.

With best regards,

Pratap Singh R
