

Editorial on Journal of Neurological Disorders

Rahul Khera*

Department of Neurocritical Care, University of Texas Medical Education, USA

Editorial note

Journal of Neurological Disorders (JND) extends a warm welcome to the researchers, scholars, academicians, clinical and medical practitioners to contribute their original research on Neurological Disorders. As well as reflecting the traditional core subjects of Neurological Physiotherapy, Neuromuscular Disorders, Neuropathy, Neurosurgical Emergencies, Parkinson's Disease, Seizure Disorder, Stroke Disorder etc. I am pleased to announce that, till now all issues of Volume 9 were published online well within the time and the print issues were also brought out and dispatched within 30 days of publishing the issue online during the year of 2021. The Journals aims to flourish and to maintain the standards in research and practice, provide platform and opportunity to present the interface of neurological disorders and other scientific fields of inquiry such as Experimental Neurology and Technology, and probably the journal aims to be the voice of the overall Neurological Disorders academic group JND impact factor for the year 2020 was 3.1. All published articles of this journal are included in the indexing and abstracting coverage of Index Copernicus, Google Scholar, Global Impact Factor (GIF), Publons, Open J Gate, China National Knowledge Infrastructure (CNKI), RefSeek, Electronic Journals Library, EBSCO A-Z, Hamdard University, Virtual Library of Biology, Studies receiving funding from a funding organization that is included on the list of PMC and Research Funder Policies or authors having NIH grant were submitted to PubMed. During the calendar year of 2020, JND received a total of 50 manuscripts, out of which 15 articles were rejected in the preliminary screening due to plagiarism or being out of the format and peer review process. During 2020 around 20 articles were subjected for publication

after they are accepted in the peer review process. 6th issue of Volume 9 published during the year of 2021, a total of 5 articles were published (at an average of 5 articles per issue) of which, articles were published from authors all around the world. Globally articles have been accessed by the research scientists and also cited. During the calendar year 2021, a total of two Editors, five Reviewers joined the board of JND and contributed their valuable services towards contribution as well as publication of articles, and their valuable reviewer comments will beneficial to publish quality of article in the Journal. I take this opportunity to acknowledge the contribution of Kenneth M Heilman (USA), and Hiroshi Nakanishi (Japan) during the final editing of articles published and the support rendered by the editorial assistant, in bringing out issues of JND in time. I would also like to express my gratitude to all the authors, reviewers, the publisher, the advisory and the editorial board of JND, the office bearers for their support in bringing out yet another volume of JND and look forward to their unrelenting support to bring out the Volume 9 of JND in scheduled time.
