Editorial Award Announcement

The academic & business conference acknowledges those participants and organizations that have remarkably added to the value to scientific communities. Awards provide an opportunity to the participants like outstanding researchers, exceptional graduates or early academicians and organizations to showcase their best research and projects to the world related to the conference theme. It also recognizes who have collectively made unique and significant contributions to the scientific community related to the conference theme. It also provides platform to professional networking with researchers of similar interest from others part of the world and encourage the participants in taking active part in the International Science and Technology platform to enhance their skills and knowledgebase.

Expert Level

The award to the experts who have made outstanding contributions to advancing in Alternative Healthcare 2021. It is the most prestigious award of the whole conference and is tagged as scientific service Achievement award. The eligibility criteria for achieving this award is that one should have minimum of 20+ years of experience in the relative field in public or private sector. The receiver of this award should have a dedicated fascination and should take initiative in researching the recent trends and developments towards the related subjects. You can nominate deserving of the award through online.

Professional Level

The Award for professional or academic research activity acquired in Alternative Healthcare research field in the public or private sector for experts having research knowledge at 10+ years in the field of Alternative Healthcare 2021 with most relevant accomplishments. Part-time research experience would

be counted as pro-rata. It is calculated starting from the date when you obtained the (first) degree entitling you to embark on a doctorate (either in the country in which the degree was obtained or in the country in which the researcher is recruited), even if a doctorate was never started or envisaged. You can nominate deserving of the award through online.

Scholar Level

The conference offers Scholar Level Award for the upcoming scientists, researchers and experts having 10+ years research experience in the field of Alternative Healthcare 2020. We would like to provide best platform to expand your network by sharing your research knowledge at stage. Presentation includes 25- 30 minutes of oral talk on the scientific research topics based on the theme of the conference along with 5 minutes panel discussions. You can nominate deserving of the award through online.
