

13th World Congress on Dementia and Alzheimer's Disease

Sam Vaknin

Southern Federal University, Rostov-on-Don, Russia, E-mail: samvaknin@gmail.com

Allied Academies is very glad to announce the successful accomplishment of “13th World Congress on [Dementia and Alzheimer's Disease](#)”.

(Dementia 2019) scheduled during **September 16-17, 2019** in **Paris, France** with huge support from the Editorial Board Members of relevant journals and all the speakers around the Globe. The conference goes around the theme ***Exploring the Challenges in the Era of Dementia Research and Care***

Special Thanks to

- Dr. Ian James Martins, Edith Cowan University, Australia for his **Welcome Message**

After receiving massive positive response from the previous conference we are overwhelmed and proud to come up with the next series CPD Accredited “5th Annual Summit on on **Dementia and Alzheimer's Disease**” ([Dementia Congress 2020](#)) scheduled to be held during **May 27-28, 2020** in **Amsterdam, Netherlands** with the theme “*Novel Insights and Innovations in the Treatment of Dementia*”.

Dementia Congress 2020 will encompass recent researches and findings in technologies, therapies and transplantation and advancements in research. This congress will be a great platform for research scientists and young researchers to share their current findings in the field of applied science. The major scientific sessions in [Dementia Congress 2020](#) will focus on the latest and exciting innovations in prominent areas and the target audience includes **Neurologists, Physicians, Neuroscientists, Specialists, researchers, health care professionals, Directors of research institutes, Professors, Lecturers and Students** and others interested in the study and research about Dementia.

Dementia Congress 2020 will encourage [Young Researcher's Forum](#), scientists and the researchers in their early stage of career graph to widely discuss their outcome so as to enrich and develop the idea. The ‘[Best Poster Award](#)’ is meant to encourage and cheer the presenters in taking active part in the International Science platform to sharpen their skills and knowledgebase.
