I hereby express my great interest in continued service in Journal of Biosensors & Bioelectronics as an Editor (or) Author (or) Reviewer. I further give my consent to disclose by the Journal my affiliation and contact information. I do not have any conflict of interest, which would interfere with this important service for science, medicine, and technology communities.

I strongly recommend this journal to be indexed in **PubMed Central**. Journal staff and editorial board members have worked very hard for the journal to establish its high professional standing.
